Ubuntu Heather Ellis,2016-04-18 As you travel Africa you will find the way of ubuntu the universal bond that connects all of humanity as one At the age of twenty eight while sitting in a friend s backyard in the remote mining township of Jabiru Heather Ellis has a light bulb moment she is going to ride a motorcycle across Africa The idea just feels right no matter that she s never done any long distance motorcycle travelling before and has never even set foot on the African continent Twelve months later Heather unloads her Yamaha TT600 at the docks in Durban South Africa and her adventure begins Her travels take her to the dizzying heights of Mt Kilimanjaro and the Rwenzori Mountains to the deserts of northern Kenya where she is

befriended by armed bandits and rescued by Turkana fishermen to a stand off with four Ugandan men intent on harm and to a voyage on a floating village on the mighty Zaire River Everywhere she goes Heather is aided by locals and travellers alike who take her into their homes and hearts helping her to truly understand the spirit of ubuntu a Bantu word meaning I am because you are Ubuntu is the extraordinary story of a young woman who alone and against all odds rode a motorcycle to some of the world s most remote beautiful and dangerous places Most of us wouldn t take a motorcycle solo through Africa Or remember much about what we were saying smelling believing or hoping twenty years ago Heather Ellis did that and has written a remarkable book about it too She tells her story vividly and honestly taking us through fields national parks into towns and down red mud tracks meeting other travellers and working with locals eating rice and fish honing her self belief and increasing our respect for her with every day on the road This is a really fascinating and compelling tale told well For anyone who has ever doubted themselves Ubuntu has a message there is a way through down a road you haven t travelled yet Kate Holden author of In Her Skin No two big journeys are alike and Heather Ellis could not have been more different to mine but certain fundamental similarities seem to unite us all from the prosaic My bike was dangerously overloaded to the sublime awakenings that such journeys engender Hers was a great adventure into the soul of Africa a thrilling story of endurance and self discovery told with care intelligence and deep humanity It is beautifully written and a pleasure to read So read it Ted Simon author of Jupiter s Travels In the 1990s Heather had an impulsive idea to ride a motorcycle through Africa and through perseverance made this come true Her story is not just a very detailed descriptive account of the countries she rode through but also of the problems she faced and overcame It reveals her ability to communicate with people of all nationalities and walks of life learn from them and find that if you have faith in the Universe it will provide Very well written and immensely readable Linda Bootherstone Bick author of Into Africa with a Smile Ever wondered what your life would look like if you chose to trust rather than fear Heather Ellis does just this as she rides a motorbike across Africa She discovers a land torn apart by war and poverty but also a land rich in beauty and kindness Reading this book is challenging and inspiring Heather s journey will stay with you long after you finish her story Maggie Mackellar author of When It Rains How to Get There Ubuntu is an inspiring memoir about an extraordinary journey taken by an exceptional woman Heather Ellis writes about her most daring adventures and deepest struggles with humour heart guts and grace I was enthralled by every page Cheryl Strayed author of Wild
