finance topics Building an Entrepreneurial Organisation Simon Mosey,Hannah Noke,Paul Kirkham,2017-04-21
Entrepreneurship is often focused on understanding new ventures but the entrepreneurial flame is required in growing
organisations too This textbook examines how organisations can become more entrepreneurial to achieve sustainable growth
The authors show how entrepreneurship can be used to address crisis points of growth within small firms and to overcome
the limitations of stagnation within large firms By integrating entrepreneurship and innovation management the book
presents a framework to diagnose entrepreneurial behaviour within existing firms Drawing upon research and reflecting
practice across a range of industries from football through Silicon Valley to the retail sector it includes insights from leading
practitioners The authors build an understanding of entrepreneurship in context to provide diagnostic tools to help
organisations make entrepreneurship central to their culture This unique text is therefore useful reading for business
