

TAKING SIDES

VOCABULARY BINGO

What a fun way to reinforce the language of literature! This activity will have students actively thinking about and discussing the words Gary Soto used to bring the characters in *Taking Sides* to life.

Because students only have to recognize the terms, not generate them, this activity is ideal for discussing both new and familiar vocabulary.

30 different game boards are included, allowing either small group or whole class participation.

The special calling cards, featuring fold over flaps to hide the answers, give you the option of using them in centers - small groups of students can play independently without a bingo caller.
