The first bubble tea shop opened in Taichung Taiwan in 1988 and sold milk teas with chewy boba. Since then bubble tea fever has spread all over Asia Australia and beyond. In 2009 bubble tea shops began opening in North America and Europe and in the past few years the trend is growing at an exponential rate. Bubble tea is a drink made from tea and milk and includes other ingredients such as tapioca balls popping boba fruit jelly or nata de coco coconut gel. It is often also finished with a whipped cream topping made from cream cheese. The name bubble tea comes from the balls or boba that are added to the drink and float in the transparent cup when the drink is shaken. These are sucked up from the drinks through special oversized bubble tea straws. There are two main types of bubble tea base the traditional black green and oolong tea based ones and fruit flavoured drinks such as mango and strawberry but you can make bubble tea from almost anything you fancy and it can also form the base of a whole range of virgin and alcoholic bubble tea cocktails too.
