

EXAMINE YOUR RANGE

so as to know which of the instructions in this booklet apply to the particular model Tappan you own.

There are two general types of Tappan Ranges:

The No. 60 Series

which has the oven in the center, between two storage compartments.

The No. 70 Series

which has the oven to the right side, with storage compartment or high broiler or second oven to the left.

At various points in this book you will find separate instructions on the No. 70 Series and the No. 60 Series. By knowing what Series your Tappan is, you will understand which instruction to follow. Time and Temperature Charts and many other instructions, of course, are the same for all models.
