The Effective Local Government Manager, 3rd Edition N. Joseph Cayer, Raymond W. Cox III, Chardean Newell, 2014-04-15. The Effective Local Government Manager, 3rd Edition, reflects the rich history and modern reinvention of a profession that sprang up at the beginning of the twentieth century. What does it mean to be a local government manager in today's world? What can a manager accomplish? What internal as well as external resources must the manager harness? What motivates the manager's employers, colleagues, and employees? For the student contemplating a career as a manager in public service, *The Effective Local Government Manager* is almost obligatory reading. Many instructors have built introductory courses on local government management around *The Effective Local Government Manager*. For the young assistant in a city or county or for the mid-career manager assessing new challenges, *The Effective Local Government Manager* offers insights on your role and how you can best serve your community. It explores the manager's many roles and responsibilities interacting with the community, the governing body, local government employees, and other governments. It offers the most up-to-date theory and practice of local government as well as tools of management. This book is used as a text in ICMA University's Emerging Leaders Development Program.

Take Control of PDFpen, 3rd Edition Michael E. Cohen, 2021-05-03. Edit and enhance your PDFs easily with PDFpen 13. Version 3.0 updated May 3, 2021. This book tells you how to create, edit, and enhance PDF documents on your Mac with PDFpen 13 and PDFpenPro 13, and on the go with PDFpen for iPad, iPhone, and Android. These days, an ever-increasing amount of paper contracts, tax forms, bills, reports, and more come into our lives as PDF files. We generate this virtual paper too, since it's so much easier to save a document as a PDF and send it to a colleague via email than it is to print and send via fax or email. To read, edit, and manipulate all these PDFs, you need the appropriate tools and skills. Given the high price of Adobe Acrobat DC Pro, many Mac users have turned to Smile's affordable PDFpen apps to help them sign PDF forms, handle scanned documents, make changes in existing PDFs, create new PDFs from a variety of sources, and to export PDFs to other file formats including Word and Excel. With *Take Control of PDFpen*, you'll learn how to do all these tasks and more on

Corporate Legal Compliance Handbook Third Edition provides the knowledge necessary to implement or

enhance a compliance program in a specific company or in a client's company. The book focuses not only on doing what is legal or what is right, the two are both important but not always the same, but also on how to make a compliance program actually work. The book is organized in a sequence that follows how to approach a compliance program. It gives the compliance officer, consultant, or attorney a good grounding in the basics of compliance law. This includes such things as the rules about corporate and individual liability, an understanding of the basics of the key laws that impact companies and the workings of the U.S. Sentencing Guidelines. Successful programs also require an understanding of educational techniques, good communication skills, and the use of computer tools. The effective compliance program also takes into account how to deliver messages using a variety of media to reach employees in different locations of different ages or education who speak different languages.
