### Important Information for Australian Resident Members Completing Your 2009 Tax Return

The information in this Tax Return Guide has been prepared to assist Australian resident individual members of the Westfield Group to complete their 2009 Tax Return. It does not apply to company, trust or superannuation fund members. If you are an individual lodging an Australian Tax Return, Question 12 of the Tax Return and Questions 13 and 20 of your Tax Return Supplementary Section should be completed.

The information on your Tax Statement and the notes in this Tax Return Guide will help you to answer these questions. Please note that any other income or capital gains which you have derived should be added to the relevant amounts you have received from the Westfield Group and the total income for each category should be included in your Tax Return. You must report all of the assessable amounts in your Tax Return. The tax deferred amounts of the Trusts' distributions are generally not assessable for income tax purposes. They will however, reduce the capital gains tax (CGT) cost base of your units. If your cost base is reduced to nil you will have a capital gain to the extent the tax deferred amounts exceed your cost base.
