**Windows on the Cross** Tom Smail, 2004-02-25 Society today shows signs of disintegration Institutions such as the monarchy parliament and the Church itself have come under intense scrutiny and deeply disturbing weaknesses have been exposed We are bombarded with news of wars and injustice and the advance of science poses new moral dilemmas that leave us confused and looking for help In the midst of such perplexity Tom Smail invites us to survey the wondrous cross not he says to find instant answers to particular questions but so that we can find our bearings and our confidence in the way God deals with confusion and destructiveness in the world We can also discover there clues about how we might respond to the difficult situations we have to face The book examines many different perspectives on the cross from the New Testament themes of reconciliation sacrifice justice and freedom to the more contemporary approaches of sharing of suffering and victory over sin Throughout Tom Smail seeks to instruct and explain the biblical teaching unlocking its meaning and motivating us to a fresh devotional and practical response to what God has done for us in the death of Jesus Windows on the Cross contains questions at the end of each chapter and is ideal for reflective reading by individuals and groups It will be widely welcomed
