Sport, Philosophy, and Good Lives Randolph Feezell,2020-04-01 There's more to sports than the ethos of competition entertainment and commercialism expressed in popular media and discourse Sport Philosophy and Good Lives discusses sport in the context of several traditional philosophical questions including What is a good human life and how does sport factor into it To whom do we look for ethical guidance What makes human activities or projects meaningful Randolph Feezell examines these questions along with other relevant topics in the philosophy of sport such as the contribution of play to a meaningful life the various reasons for pessimistic views of sport the various claims that celebrated athletes are role models

and the seldom questioned view that coaches are in a position to offer advice to athletes on how to live or on leadership skills He also discusses the way that non Western attitudes found in Buddhism Taoism and the Bhagavad Gita might be used to address the vulnerabilities of sports participants Feezell draws from current sports issues popular literature and contemporary sports figures to shed light on the attraction and value of sports and examine the accompanying ethical issues

Elite? Adam D. Metz, 2018-10-23 Beyond an occasional sports inspired sermon illustration sports are generally regarded as having little relevance to the Christian faith More often they are viewed as a welcome and safe reprieve from politics and religion Quietly however as they avoid the discerning eye of the church sports are slowly overtaking families and overwhelming parents Under the labels elite select and travel a new experience of sports has taken root in American culture demanding financial burdens time commitments and heightened pressures never before seen Community leaders from various public sectors have criticized many recent trends in youth sports but alas where has the church been This new elite expression of youth sports is quickly building an intimidating front against the church As church attendance declines elite youth sports participation is on the rise This book ventures into the challenging controversial and powerful world of youth sports Young people participate in sports more than just about any other activity and the church has neglected its role in providing a voice of discernment for what participating in sports should look like Christians are desperately in need of a manifesto for helping them wrestle with the complex exciting and often exhausting world of youth sports **The Institute Tie** ,1904 **The Publishers Weekly** , **You Are God'S Best Idea!** Douglas E. Holzmeier, 2011-06-24 You Are Gods Best Idea Have you ever heard a more ridiculous thing Have you ever heard a more beautiful idea Come along as contemporary mystic Douglas E Holzmeier aka Doug Daniels explains why You Are Gods Best Idea and what the acceptance of your inherent inner divinity means in living the Undeniable Life This book will tell you how to make the Law of Attraction work for you through you and your divinity Discover the ideas and the Divine Acceptations that lead to living the Undeniable Life Experience the inspirational stories of manifestation and triumph from the authors life in the radio industry and those of his family and friends Through the epigrammatic writing style of Douglas Edward Holzmeier you will understand maybe for the first time just how amazing important and divine you are You Are Gods Best Idea In praise of You Are Gods Best Idea Divine Acceptations and Living the Undeniable Life In You Are Gods Best Idea Divine Acceptations and Living the Undeniable Life Douglas E Holzmeier does an amazing job of helping us understand that life is essentially a spiritual experience whether we are aware of it or not We could not be any more spiritual if we tried because life is a sacred continuum There is no area of our lives that is any more or less spiritual than another spirituality is the conscious mindful practice of the awareness of Gods presence in every holy instant This book is a call to awakening to help you remember to remember that on the day you were born God had a One derful idea a desire to know Itself and express Itself in an entirely new and unique way and that idea is YOU Dennis Merritt Jones Author of The Art of Being 101 Ways to Practice Purpose in Your Life **Resources in**
