Dorothy Day: The World Will Be Saved by Beauty Kate Hennessy, 2017-01-24 An intimate revealing and sometimes wrenching family memoir of the journalist and social advocate who is now being considered for canonization The New York Times told with illuminating detail by her granddaughter Dorothy Day 1897 1980 was a prominent Catholic writer social activist and co founder of a movement dedicated to serving the poorest of the poor Her life has been documented through her own writings as well as the work of historians theologians and academics What has been missing until now is a more personal account from the point of view of someone who knew her well Dorothy Day *The World Will Be Saved by Beauty* is a frank and reflective heartfelt and humorous portrayal written by her granddaughter Kate Hennessy Dorothy Day writes Hennessy is an unusual candidate for sainthood Before her conversion she lived what she called a disorderly life during which she had an abortion and then gave birth to a child out of wedlock After her conversion she was both an obedient servant and a rigorous challenger of the Church She was a prolific writer whose books are still in print and widely read Although compassionate Hennessy shows Day to be driven dogmatic loving as well as judgmental in particular with her only daughter Tamar She was also full of humor and laughter and could light up any room she entered An undisputed radical heroine called a saint for the occupy era by The New Yorker Day s story unfolds against a backdrop of New York City from the 1910s to the 1980s and world events spanning from World War I to Vietnam This thoroughly researched and intimate biography provides a valuable and nuanced portrait of an undersung and provocative American woman Frankly says actor and activist Martin Sheen it is a must read [NRSVCE, Great Quotes Catholic Bible](#) Catholic Bible Press ,2022-03-29 THE BIBLE THAT FEELS LIKE HOME THE BIBLE THAT LOOKS LIKE ART The Great Quotes Catholic Bible features a stunning design that will inspire you to spend more time with the Word of God This edition includes an array of beautiful quotes from saints artists popes and other figures of Church history all designed in stained glass inspired motifs It s a Bible that feels like home and looks like art The text of this beautiful edition is presented in two columns on each page for easy reading Features include Complete Catholic Bible with the official imprimatur of the Roman Catholic Church 120 beautiful artistically rendered quotation pages from popular figures in the Church s history Anglicized text Clear and readable 10 point print size Exclusive Catholic Comfort Print **Love and Romance in the Bible** Asher Elkayam, 2013-01-14 This new project concentrates on the power of love and other passions that changed the world As we consider the Bible as a historical document we cannot help but wonder about those personalities in the Bible who can take credit for creating a multitude of tribal orders and nations throughout the globe Sarah and Abraham were the very first ancestors who discovered Monotheism and consequently gave birth to powerful nations who ended up populating nearly half of the people s planet One of the most populous nations on earth Islam was created as a result of Sarah s consent to have Abraham her husband consort with her maid Hagar Ishmael was born and he became the father of twelve powerful tribes Love in The Bible speaks about how entire

kingdoms were formed and other destroyed It also emphasizes the power of seduction aimed at altering a destiny of a nation Delilah sought to destroy Samson in order to guarantee the supremacy of the Philistines over the Israelites Athaliah the mean destroyed her own children in order to maintain power Jezebel managed to do away with over four hundred so called prophets in order to maintain her power over the land Those women of power did evil while using their men Delilah used Samson by seducing him and convincing him to disclose the secret of his power Jezebel and Athaliah used their men kings in order establish their own kingdom On the other hand there were impressive female heroes Deborah was a pure military strategist who saved a whole nation with her inspiration and positive attitude towards victory Deborah was also a poetess and a highly praised judge who kept a nation in peace for forty years Esther was a special queen who came to the rescue of the entire Jewish Persian minority because she was the preferred woman of King Xerxes King Solomon in his Song of Songs described love and romance in a manner that can be duplicated in our modern era His poetry is still read and appreciated in our times and it can be quoted repeatedly by true lovers of our century Romance and the longing for love have never changed Lovers can be imaginative and use silly ways to remain in love as they do today However love can take different turns as well A true shocking story of love by accident is the story of Judah who became the father of Judaism Could anyone imagine that Judah the head of the tribe of Judah a tribe that was almost extinct suddenly became the ancestor of the most populous tribe of Israel It happened at a time where Judah was almost childless By accident he encountered a woman named Tamar who posed as a harlot However since Judah did not recognize her he became intimate with her Tamar was actually Judah's daughter in law Since her two husbands Judah's sons died it was Judah's duty to have Tamar marry the only surviving son That never happened either As Tamar used a special ruse to fool Judah she conceived and she became the actual ancestress of Judaism as we know it today This intriguing soap opera like story is described in details What is more she became the ancestor of Boaz and David King of Israel Both Jews and Christians claim Tamar as their ancestor while Christians state that King David was twenty generations apart from Jesus Love And Romance in The Bible depicts other passions such as incest and rape The daughters of Lot who saw it necessary to revive seed from their own father because they were afraid of their generation becoming extinct committed incest The Bible does not condemn nor condone this act However the curious outcome was that two nations evolved out of this incestuous act Moab and Ammon The Amnon and Tamar daughter of David's story is a perfect example of an insecure man son of David who gets infatuated with his half sister Tamar and ends up abusing and humiliating her In the *Tamar's Tears* Andrew Sloane, 2011-11-14 Evangelical and feminist approaches to Old Testament interpretation often seem to be at odds with each other The authors of this volume argue to the contrary feminist and evangelical interpreters of the Old Testament can enter into a constructive dialogue that will be fruitful to both parties They seek to illustrate this with reference to a number of texts and issues relevant to feminist Old Testament interpretation from an explicitly evangelical point of view In so doing they raise issues that need to be

addressed by both evangelical and feminist interpreters of the Old Testament and present an invitation to faithful and fruitful reading of these portions of Scripture

Tamar's Revenge Tirso de Molina, 1988 The story comes from the Second Book of Samuel and tells of the incestuous passion of Amnon David's eldest son for his half sister Tamar and the subsequent murder of Amnon by his brother Absalom Amnon's lust is set in the context of complementary passions of ambition and revenge reflected in Absalom and Tamar respectively The play explores King David's conflict between justice and mercy when confronted with these tragic events It is a work of constantly changing perspectives in which tragedy and comedy instead of being simply juxtaposed are blended in a highly original way Tirso's play is one of the earliest treatments of a theme that has continued to be an inspiration for such modern writers as the novelist Dan Jacobson in *The Rape of Tamar* and the dramatist Peter Shaffer in *Jonadab* Spanish text with facing page translation commentary and notes

Mursell, 2021-12-03 St Peter Damian 1007-1072 is an exceptional example of a paradox that is found in many saints and thinkers through the ages St Jerome St Bernard St Bridget of Sweden St Teresa of Avila and Thomas Merton come to mind of a lifelong tension between two competing vocations the call to solitude and holiness and the call to prophetic social and ecclesial engagement The author has explored this tension throughout his adult life both in his published work and in his own life as an Episcopalian Anglican priest and later bishop Damian's The Book of The Lord be with you is a profound exploration of the spirituality of solitude whereas his Book of Gomorrah is an intense attack on clerical sexual abuse which has helped to give Damian a new recent prominence in the light of the huge challenges facing the Church today The Bonds of Love shows that the paradox at the heart of Damian's life and everything he cared about was rooted in the remarkable theology of love which finds expression across the whole of his work and gives it both coherence and dynamism His life and spirituality are of far more than academic interest and will make a major contribution not only to those committed to ecclesial reform and renewal but to all who struggle to live with the kind of competing tensions that made St Peter Damian who he was **The Oxfam Gender Training Manual** Suzanne Williams, 1994 This comprehensive approach to gender training in development encompasses work on gender awareness raising and gender analysis at the individual community and global level An important reference source for development agency trainers and academics
