The Alpha's Rogue Mate Lia Rose, 2025-01-12 Libby was a name spoken in hushed tones her reputation a mix of fear and admiration As one of the most feared rogues to roam the wilds she lived by her own rules free from the constraints of packs and their politics With sharp instincts and an untamed spirit Libby was a force to be reckoned with She had no ties no loyalty and certainly no intention of changing that Damon on the other hand was everything Libby wasn't The young Alpha of the Dark Moons Pack he was known for his kind heart and steady leadership While many alphas ruled through intimidation Damon earned the respect of his pack with compassion and fairness But beneath his calm exterior lay the strength and determination of a leader who would do anything to protect his people Their worlds were never meant to collide That all changed the day Libby wandered onto Dark Moons Pack territory She hadn't meant to linger but something about the place stopped her in her tracks And then she met him Damon The connection was instant and undeniable Mates For the first time in her life Libby felt the pull of something greater than herself But the bond that tied them together also threatened to tear them apart Damon represented everything Libby had rejected a life of rules structure and responsibility Becoming his Luna meant leaving behind the freedom she had fought so hard to keep Damon for his part was torn He had waited for his mate dreamed of the day he would find her But Libby wasn't the gentle nurturing Luna he had envisioned She was wild unpredictable and carried a darkness he didn't fully understand Yet he couldn't ignore the way his heart ached for her or the way his wolf demanded he protect her at all costs The choice was hers Would Libby abandon her rogue ways and take her place as the Luna of the Dark Moons Pack Or would she reject Damon leaving him and the bond they shared behind to return to her life of solitude
