W. Burchfield, 1972 These volumes replace the 1933 Supplement to the OED The vocabulary treated is that which came into use during the publication of the successive sections of the main Dictionary that is between 1884 when the first fascicle of the letter A was published and 1928 when the final section of the Dictionary appeared together with accessions to the English language in Britain and abroad from 1928 to the present day Nearly all the material in the 1933 Supplement has been retained here though in revised form Preface **The Cumulative Book Index**, 1991 A world list of books in the English language *A Dying Breed* Neal B. Dillon, 2000 The true story of a WWII air combat B 17 crew s amazing courage touching camaraderie uplifting faith and indomitable spirit as they fought and died over the skies of Germany *Random House Webster's Advanced English Dictionary* Gerard M. imagination of the world The battle marked the end of the Land Wars in the Waikato and resulted in vast tracts of land being confiscated for European settlement Instead of following the usual standpoint of the victors this book takes a Maori perspective It is centred around Witi Ihimaera's moving novella *Sleeps Standing* which views the battle through the eyes of a 16 year old boy named Moetu Alongside the novella are non fiction narratives from Maori eyewitnesses together with images and a Maori translation by Hemi Kelly further giving voice to and illuminating the people who tried to protect their culture and land It is estimated that at the height of the battle 1700 immensely superior troops well armed and amply resourced laid siege to the hastily constructed pa at Orakau The defenders were heavily outnumbered with few supplies or weapons but when told to submit they replied E hoa ka whawhai tonu matou ake ake ake Friend I shall fight against you for ever for ever
