The Waging War Within-A Devotional for Winning the Daily War Gregg Joseph Kretschmer, Jason Christian Ravizza, 2011-04-05 The Waging War Within is a daily devotional that focuses on bringing the Christian believer into a closer

walk with our Lord and Savior Jesus Christ This devotional emphasizes the importance of putting on the full armor of God to withstand the daily onslaught of the enemy that wars against our soul Our prayer is that The Waging War Within would touch the lives of Christian believers while at the same time winning souls into the Kingdom of our Lord and Savior Jesus Christ The Waging War Within focuses on the supernatural and spiritual aspects of warfare Individuals and families throughout our American Society and the world at large are wondering why their lives feel entrenched shattered and pervasively ruined in a perpetual battlefield This book takes a closer look into the realm of spiritual warfare and the strategies to counter the attacks of Satan Our prayer is that The Waging War Within would lead people to higher ground in their spiritual walk with Jesus Christ as well as provide them with a battleplan to win The Waging War Within The War Within Robert Daniels, 2005 Who is the Faithful and Discreet Slave If you are a Jehovah's Witness no doubt you have a deep love for the truth Chances are you would also agree that no matter how much Bible reading we have done we would never have learned the truth on our own The Watchtower December 1 1990 p 19 Most of what you know about Jehovah God and his Word you learned from the faithful and discreet slave class This is why you go door to door to share what you have learned with others But isn't it possible that some of the Watchtower Society's teachings could be wrong After all they've been wrong in the past Wasn't C T Russell wrong when he expected to be taken to heaven in 1914 Wasn't J F Rutherford wrong when he predicted that men like Moses and David would soon be resurrected and live in the Watchtower's mansion in San Diego And isn't it possible that N H Knorr and F W Franz were wrong in saying that the generation of 1914 would live to see the end of this wicked system of things If God's organization was wrong about these things shouldn't we consider the possibility that they are still wrong about other more important doctrines as well Why is it then that most Witnesses will never question the Society's teachings even when they teach commands of men as doctrines Matthew 15 9 What gives them this kind of authority As you know their claim to authority rests entirely on their interpretation of Jesus' parable of the faithful and discreet slave Who really is the faithful and discreet slave whom his master appointed over his domestics to give them their food at the proper time Happy is that slave if his master on arriving finds him doing so Truly I say to you He will appoint him over all his belongings Matthew 24 45 47 They believe this text makes them God's channel for providing spiritual food to his people In 1919 that slave was identified as the remnant of anointed Christians Since then as represented by the Governing Body of Jehovah's Witnesses it has been the center of theocracy on earth The Watchtower January 15 1994 p 16 Since so much rests on this passage it is only right that we examine just what Jesus meant in this parable The Society insists that Jesus was speaking not of individuals but of a group of people who are members of an organization The problem is in Luke's account Jesus specifically applies the parable to individuals Indeed everyone to whom much was given much will be demanded of him and the one whom people put in charge of much they will demand more than usual of him Luke 12 48 The parable has to do with Christian stewardship In fact it follows the same pattern as the parable of the talents Matthew 25 14 30 or minas Luke 19 12

27 A master departs leaving work for his slaves When he returns he evaluates their faithfulness and rewards or punishes them accordingly It s interesting that the Society applies these parables to individuals while applying the faithful and discreet slave parable Matthew 24 45 51 to an organization Their interpretation is inconsistent This teaching on the faithful stewardship of individuals is reflected elsewhere in Scripture In proportion as each one has received a gift use it in ministering to one another as fine stewards of God s undeserved kindness expressed in various ways 1 Peter 4 10 Let a man so appraise us as being subordinates of Christ and stewards of sacred secrets of God Besides in this case what is looked for in stewards is for a man to be found faithful 1 Corinthians 4 1 2 Can you say that Jesus is your Master If so think about what it says of your stewardship when you accept the Watchtower s teachings without question knowing that the Bible never approves of such a practice Have you noticed that the Society often encourages others to examine their religion but discourages you from doing the same How ironic that the Society s first president C T Russell wrote If any one knows anything better let him take it If any of you ever find anything better we hope you will tell us The Watchtower December 1 1990 p 19 We think we have something better We encourage you to compare the teachings of the Watchtower Society with those of solid evangelical Christians Otherwise how will you know you ve really been feeding on the best spiritual food As a suggestion start by reading a book like Systematic Theology by Wayne Grudem which examines the biblical basis for the different views of all the major doctrines We pray that Jehovah will guide you as you seek to be a faithful slave of our Lord Jesus Christ
