Resource: Chapter 4 of the course textbook and Section 2 of TAP 21.

One hundred and twenty-three specific competencies of an addiction counselor are listed in TAP 21. These competencies include various roles an addiction counselor may take on such as educator, consultant, advocate, resource and referral guide, group facilitator, and so on. Directions: Complete the chart by listing and defining the eight practice dimensions located in Section 2 of TAP 21. Include a list of all the competencies associated with each practice dimension. Include in-text citations in the table as well as a GCU-style reference listing below when appropriate. TAP 21 should be the references used. Please consider saving your completed worksheet as a study guide for future courses and possible licensure/certification.
