Kingdoms for Sale Anita Sinclair, 2024-12-03 Auggie Freddy and Thaddeus live in a world where everything is real and make believe is unnecessary There are dragons fairies unicorns and elves roaming the countryside and villages too They live in the world of Aught The world is flat not round and along the border before reaching its jagged edge is a horrible place called the Land of the Unruly

A land without rules no kingdoms no one to lead and no one willing to follow Green ogres can be found guarding the borders of the Unruly where dragon eggs cursed by a witch's brew are incubated It is a place of continual darkness Away from the edges and deep into the interior is the Land of Endings A place where rolling hills green valleys deep forests and kingdoms fill the land This is where Auggie Freddy and Thaddeus live with their families Some say this is a place of make believe and fairy tales but for them it is simply home Come and join in the adventures of these young boys as they grow and learn life's lessons in the remarkable world of Aught The Life and Times of Thaddeus Whiskers Marcia Franke, 2017-06-22 The Life and Times of Thaddeus Whiskers is a fantasy which takes place on a farm and in a protected area of woods at the edge of a national forest in central Kentucky USA It is the story where one discovers that humans and animals share closely related worlds The characters portray strengths frailties delights and challenges common to human beings As they face and deal with moral and emotional dilemmas they reveal truths about human traits without being overly pointed Each has a distinctive persona which recognizes the importance of the Creator friends and family in their lives The reader may find that it is easier to see the essential qualities of the human soul to believe in beauty goodness and virtue through the experiences of these whimsical personalities The world of the farm and Old Coffey Woods is a safe place to be and to learn about the realities of life and death The characters in this story are sincere and true to life with the goodness and tenderness that is alive somewhere in every one of us Best Books for Children ,1972 Fiction, Folklore, Fantasy & Poetry for Children, 1876-1985: Authors, illustrators ,1986 **Pennsylvania Business Directory** ,2009 **Thaddeus Jones and the Dragon** ,1968 Despondent over being educated and unable to breathe fire like other dragons Dudley goes on a rampage that threatens the well being of the kingdom until a young man convinces him there is nothing wrong with being different

Summerwood/Winterwood E. L. Chen, 2019-10-22 Pray you never find your Summerwood Grandfather had said I'd found something worse I'd found his In Summerwood twelve year old Rosalind Hero Cheung can't wait to spend the summer in Toronto with her teenaged sister Julie and their famous author grandfather Years ago Walter Denison wrote a series of bestselling children's novels about a magical land called the Summerwood But to Hero's dismay Walter is cold toward his granddaughters and Julie derides Hero's hope that the Summerwood is real Nevertheless one day she and Julie stumble into the Summerwood Ruled by the beautiful and enigmatic Lady of Summer it is the idyllic fantasy land out of Walter's books complete with quaintly dressed talking animals However Hero discovers the Summerwood is far more sinister than Walter had ever let on Julie is abducted and to save her life Hero must find the Summerwood's sacred winter stag Hero quickly learns that setting out on a fantasy quest is far more prosaic and terrifying than she'd ever imagined and there is a steep and bloody price to pay for being the hero In Winterwood three years have passed since Lindy Cheung went into the Summerwood and emerged changed and broken Now she's getting into trouble starting fights skipping school dating unsuitable boys After her mother grounds her again she runs off to Toronto to her sister the only person who knows what

really happened three years ago But Juliet has moved on from the trauma and Lindy finds herself back in the Summerwood where an old enemy tells her The stag must die again And this time in order to save the Summerwood she has to be the bad guy instead of the hero **Thaddeus Jones and the Dragon** ,1964 Despondent over being educated and unable to breathe fire like other dragons Dudley goes on a rampage that threatens the well being of the kingdom until a young man convinces him there is nothing wrong with being different
