Thanks to David Wells for this carefully researched and meticulously detailed manual. As a massage therapist and yoga instructor the work has become an important daily practice for me and one that I share with my clients. The exercises help me to prepare my body for the day, identify limitations and restrictions in my body and balance my energy. The self massage practice gives me a soothing way to treat those issues and heal myself. I use Thai Yoga to relieve tension headaches, reduce neck and shoulder tension and pain, improve a chronic back injury by mobilizing the low back and hips and releasing the accompanying muscles with self massage. I also find the practice to reduce stress and increase energy. Most important, Thai Yoga is really fun and feels good. I recommend this practice for everybody. Jennifer Vanderburg LMT Thai Yoga Joint Mobilization is part of my personal daily practice and something I recommend to all my clients for keeping joints open and in full function. It can be practiced standing or seated making it accessible to people at any level of health. For most of my adult life I endured crippling back, neck and joint pain due to several injuries. Now after a year and a half of daily practice of the joint mobilization exercises I have virtually no pain and every muscle feels energized. I have gone from almost disabled to fully functional and can work and play like I did when I was a young man.
