**Skilled Labor Mobility and Migration** Elisabetta Gentile,2019 One of the primary objectives of the ASEAN Economic Community AEC established in 2015 was to boost skilled labor mobility within the region This insightful book takes stock of the existing trends and patterns of skilled labor migration in the ASEAN It endeavors to identify the likely winners and losers from the free movement of natural persons within the region through counterfactual policy simulations Finally it discusses existing issues and obstacles through case studies as well as other sectoral examples The Report: Qatar 2015 Oxford Business Group,2015-04-22 Qatar s sizable oil and natural gas reserves have underpinned its rapid economic growth over the past two decades Home to the world s largest non associated gas field the country is the world s fourth largest producer of dry natural gas and the largest producer of liquefied natural gas with hydrocarbons revenues forming the bulk of national income as a result Although the drop in global energy prices has impacted export revenues rigorous economic diversification drives in recent years have paid dividends and in 2015 non hydrocarbons growth reached 7.7% compared to a 0.1% contraction for hydrocarbons growth during the same period The country s financial sector has continued to evolve Islamic banking in particular has witnessed significant progress Meanwhile as the country gears up to host several important sporting events in the coming years most notably the 2022 FIFA World Cup numerous big ticket infrastructure builds continue to expand the construction sector *Not For Tourists Guide to New York City 2015* Not For Tourists,2014-11-04 The Not For Tourists Guide to New York City is a map based neighborhood by neighborhood dream guide designed to lighten the load of already street savvy New Yorkers commuters business travelers and yes tourists too Each map is marked with user friendly icons identifying our favorite picks around town from essentials to entertainment and includes an invaluable neighborhood description written by locals highlighting the most important features of each area The book includes everything from restaurants bars shopping and theater to information on hotels airports banks transportation and landmarks Need to find the best pizza places around NFT has you covered How about a list of the top vintage clothing stores in the city They ve got that too The nearest movie theater hardware store or coffee shop whatever you need NFT puts it at your fingertips This pocket sized book also features A foldout map for subways and buses Over 130 city and neighborhood maps Details on parks and places Listings for arts and entertainment hotspots It is THE indispensable guide to the city Period

**PISA 2015 Results (Volume II) Policies and Practices for Successful Schools** OECD,2016-12-06 The OECD Programme for International Student Assessment PISA examines not just what students know in science reading and mathematics but what they can do with what they know Results from PISA show educators and policy makers the quality and equity of learning outcomes achieved elsewhere **OECD Reviews of Vocational Education and Training Vocational Education and Training in Thailand** OECD,2021-07-23 One of a series of studies on vocational education and training this review assesses vocational education and training VET in Thailand and provides policy recommendations VET has the

potential to provide relevant education and training opportunities to young people and adults in Thailand especially as the demand for technical skills is high This can be achieved by building on the strengths of the system including a strong postsecondary vocational system and a small but dynamic dual system However it remains an unattractive option for many students in Thailand because of a poor image among students and parents quality issues a hard to navigate system and limited progression pathways Additional efforts are therefore needed to align the mix of provision with the needs of the Thai labour market This review provides recommendations on how to improve access to programmes reduce inequalities in access to high quality institutions and programmes make better use of skills intelligence to inform education and training policies and engage employers in the design and delivery of vocational education and training including work based learning

*Transitions from Education to Work* Roslyn Cameron, Subas Dhakal, John Burgess, 2017-11-22 Labour markets are becoming more dynamic in response to pressures from globalisation new technologies and trade agreements as well as cross border migration inter generation differences changing education imperatives and employer expectations By focusing on several Asia Pacific countries this book explores the differences in their workforces ageing or abundant in labour but lacking in skilled employees One similarity these countries share is the difficulty in attracting and retaining employees with the required skillset and capabilities and these constraints can stymie national economic growth and long term development This book brings together national and international perspectives on employability challenges faced by selected countries in the Asia Pacific region While the region is forecast to enjoy high growth in the coming decade a recurring challenge is addressing skill shortages and ensuring effective transition from training colleges and universities into employment Consequently the book focuses on the roles of multiple stakeholders primarily governments education providers and employers in more effectively addressing these key socio economic challenges *Tax Guide 2015* Alan Moore, A handy quick reference guide to the Irish tax system Covering income tax PRSI USC corporation tax capital gains tax VAT capital acquisitions tax stamp duties Finance Act 2014 summary Revenue offices 18th edition, 2016-06-01 **The**

**Report: Thailand 2012**, 2011 *OECD Development Pathways Multi-dimensional Review of Thailand (Volume 2) In-depth Analysis and Recommendations* OECD, 2019-02-14 Thailand is a fast emerging country that aspires to become a high income economy by 2037 Still Thailand's growth path has created large disparities that risk obstructing the next stage of development This report lays out three transitions that Thailand needs to master to build capabilities **Handbook of Research on Determining the Reliability of Online Assessment and Distance Learning** Moura, Ana S., Reis, Pedro, Cordeiro, M. Natália D. S., 2020-11-13 Though in the past online learning was considered of poorer professional quality than classroom learning it has become a useful and in some cases vital tool for promoting the inclusivity of education Some of its benefits include allowing greater accessibility to educational resources previously unattainable by those in rural areas and in current times it has proven to be a critical asset as universities shut down due to natural disasters and pandemics

Examining the current state of distance learning and determining online assessment tools and processes that can enhance the online learning experience are clearly crucial for the advancement of modern education The Handbook of Research on Determining the Reliability of Online Assessment and Distance Learning is a collection of pioneering investigations on the methods and applications of digital technologies in the realm of education It provides a clear and extensive analysis of issues regarding online learning while also offering frameworks to solve these addressed problems Moreover the book reviews and evaluates the present and intended future of distance learning focusing on the societal and employer perspective versus the academic proposals While highlighting topics including hybrid teaching blended learning and telelearning this book is ideally designed for teachers academicians researchers educational administrators and students South Asia's Transition from Agrarian to Industrialized Economy Kazuo Tomozawa,Koichi Fujita,2024-12-23 This book analyses the transition of South Asian nations from agrarian to industrialized economies which is accompanied by a widening gap between agricultural and non agricultural growth rates and a greater income disparity between farmers and urban residents The chapters contributed by experts in the field analyze various issues in the transitional process of economic development in South Asia by focusing mainly on India s agricultural adjustment problem and the issues concerning industrial sectors The book deals first with challenges related to the farmers struggles including traders and processors and how they can adapt to the more sophisticated market demand for their products emerging mainly in urban areas or even abroad It then focuses on the developments in the non agricultural sector introducing a global value chain GVC perspective It finally analyses trends in labor migration and labor markets closely linked to the agricultural and non agricultural sectors This book is a valuable addition to the field of Development Economics and South Asian Economics **Thailand's Buddhist Kingship in the 20th and 21st Centuries** Marie-Sybille de Vienne,2022-03-30 Based on two decades of fieldwork including over a hundred interviews with various political and economic actors at different social levels as well as documentary and media analysis this volume presents an account of the Buddhist monarchy in Thailand offering a sociology of elites an analysis of the economic influence of the Crown and an examination of the magic and ritual dimension of kingship An exploration of the role and status of the Palace over the last century whether as a guarantor of democracy a symbol of stability a source of power or an object of popular discontent Thailand s Buddhist Kingship in the 20th and 21st Centuries will appeal to scholars of sociology and anthropology with interests in material religion politics and Southeast Asian studies International Handbook on Education Development in the Asia-Pacific Wing On Lee,Phillip Brown,A. Lin Goodwin,Andy Green,2023-11-20 The Springer International Handbook of Educational Development in Asia Pacific breaks new ground with a comprehensive fine grained and diverse perspective on research and education development throughout the Asia Pacific region In 13 sections and 127 chapters the Handbook delves into a wide spectrum of contemporary topics including educational equity and quality language education learning and human development workplace learning teacher education and professionalization higher

education organisations citizenship and moral education and high performing education systems The Handbook is grounded in specific Asia Pacific contexts and scholarly traditions using unique country specific narratives for example Vietnam and Melanesia and socio cultural investigations through lenses such as language identity or colonisation while offering parallel academic discourse and analyses framed by broader policy commentary from around the world **International**

**Intellectual Property and the ASEAN Way** Elizabeth Siew-Kuan Ng, Graeme W. Austin, 2017-10-05 The Association of Southeast Asian Nations ASEAN is actively seeking ways for member countries to enhance their individual economic development within the context of overall regional advancement Central to this is the creation of a regional intellectual property framework This book examines the efforts to move beyond sovereign protections of intellectual property rights and establish meaningful inter state cooperation on intellectual property issues Rather than aim for IP harmonization ASEAN recognizes its internal diversity and pursues an agenda of IP Interoperability The essays in this collection examine the unique dynamics of interoperability analyzing the administration of intellectual property in a part of the world that is of increasing importance The book enables the reader to compare and contrast the ASEAN model to other approaches in regional cooperation such as Europe and Latin America and also explores private international law as a potential vehicle for interoperability *Global report on teachers* International Task Force on Teachers for Education 2030, UNESCO, 2024-02-24

Teachers are central to unlocking every learner's potential and achieving Sustainable Development Goal 4 of inclusive equitable and quality education for all Regrettably worldwide teacher shortages have been endangering the future of education New data collected for the Global Report on Teachers indicates that 44 million additional teachers are needed to achieve universal primary and secondary education by 2030 Shortages are widespread with sub Saharan Africa needing 15 million more teachers while higher income countries face retention challenges resulting in teachers massively leaving the profession Echoing calls from the International Commission on the Futures of Education and the 2022 Transforming Education Summit this report advocates for dignifying diversifying and valorizing the teaching profession It emphasizes the importance of improved working conditions enhanced professional development and increased teacher involvement in decision making to bridge the gap This report is a tool to mobilize international and country efforts to empower recruit train and support teachers within resilient education systems for a collaborative innovative and cohesive teaching profession It is a roadmap aiming to elevate the status of the teaching profession and ensure quality education for all learners urging immediate action

*Trafficking in Persons Report 2017* Office of the Undersecretary for Civilian Security, Democracy, and Human Rights, 2017-08-18 The 2017 Trafficking in Persons Report highlights the successes achieved and the remaining challenges before us on this important issue The primary focus is to showcase the responsibility of governments to criminalize human trafficking and hold offenders accountable This year's report theme is increasing criminal accountability of human traffickers and addressing challenges in prosecution an essential component of 3P paradigm of prosecution

protection and prevention It provides an overview of the type of human trafficking offenses that are taking place around the world in violation of human rights The text includes side bars of situational human trafficking experiences to allow the reader to understand the different types that occur throughout the world High school students and above may find this report helpful for research and writing essays about human rights and law enforcement of human trafficking American citizens policy analysts and decision makers law enforcement personnel and human rights policy activists and advocates and world leaders may refer to this report as a reference on these crimes Related products Explore our Human Rights resources collection and other products produced by the U S State Department *EASYUNI Ultimate University Guide 2014* easyuni sdn bhd,2015-04-21 In this issue we ve covered hot technology fields like robotics and 3D printing as well as give you a peek at what we feel may be the top 20 jobs in the future We ve also covered a relatively unknown field called Knowledge Management and got a chance to speak with a real life professional to give some great advice and insights into this field For those with a love for the written word you don t want to miss our article on Journalism where it ll give you the lowdown on the profession and tells you how to get there *Temporary Migration, Transformation and Development* Pirkko Pitkänen,Tomoko Hayakawa,Kerstin Schmidt,Mustafa Aksakal,S.
