

A dramatic sky scene with a bright sunburst breaking through dark, heavy clouds. The sun is positioned in the upper right, casting a strong light that illuminates the surrounding clouds. The clouds are dark and textured, with some lighter patches where the sun's light hits. The overall mood is one of hope and divine light breaking through darkness.

An Introduction to Torrance Theology Gerrit Dawson, 2007-09-01 For more than six decades the brothers Torrance Thomas James and David have had a tremendous influence on the theological world They and particularly TF Torrance have a devoted following world wide and particularly in the US Their high view of the fully human fully divine Jesus is built upon the foundation of the Patristic writers and the great Reformers from Calvin to Barth Working in both pastoral and academic settings the Torrances have stressed the profound implications of Christology for the mission of their Church and the daily life of Christians Today a generation of their students around the world find themselves in positions of pastoral and theological leadership The focus of this book is the person of Christ christology a subject central to the Torrance theological vision and one which has had great influence on the presbyterian church The contributors explore the contemporary relevance of Torrance Christology in such areas as the nature of Christ the atonement the ministry of the Church epistemology and inclusion in Christ The result is a book that offers both a fresh introduction to the Torrance tradition even as it advances the Torrance thought along fresh avenues of theological exploration

One God, One Lord Larry W. Hurtado, 2015-11-19 Larry Hurtado's *One God One Lord* has been described as one of the most important and provocative Christologies of all time Alan F Segal The book has taken its place among works on Jesus as one consistently cited consistently read and consistently examined in scholarly discourse Hurtado examines the early cultic devotion to Jesus through a range of Jewish sources Hurtado outlines an early high Christological theology showing how the Christ of faith emerges from monotheistic Judaism The book has already found a home on the shelves of many in its two previous editions In this new Cornerstones edition Hurtado provides a substantial epilogue of some twenty thousand words which brings this ground breaking work to the fore once more in a format accessible to scholars and students alike

The Catechism Explained Francis Spirago, 1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man's high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord's teaching and may be called a guide book for the Christian on the road to heaven

Preface Christ's Discipleship Deal Richard Christenson, 2018-01-08 As a former pastor Richard Christenson has had the opportunity to address numerous congregations and men's ministry groups throughout the northwestern United States and his observations from these experiences are alarming He found that comprehensive

discipleship training that addresses the spiritual formation and mission involvement requirement of Christ's followers has been replaced by felt needs driven programming and religious education classes. The result is local churches are becoming increasingly ingrown and are comprised of consumers, spectators and Jesus fans rather than cross carrying followers of Jesus Christ. Richard Christenson believes this problem is the result of our incomplete presentation of the Gospel and our failure to provide comprehensive maturity ministry and mission training for church members. Christ's discipleship deal comes with many temporal and eternal benefits but there are also costs involved that need to be counted before making a commitment to become a follower of Christ. In his new book *Christ's Discipleship Deal*, Christenson offers assistance for local church leaders in identifying and correcting concerns related to their presentation of the Gospel, spiritual formation of their members and proactive participation in Christ's redemptive mission.

The Princeton Companion to Jonathan Edwards Sang Hyun Lee, 2020-06-02 Jonathan Edwards 1703-1758 is widely recognized as one of the greatest philosopher-theologians America has ever produced and recent years have seen a remarkable increase in research on his writings. To date, however, there has been no single authoritative volume that introduces and interprets the key aspects of Edwards' thought as a whole. *The Princeton Companion to Jonathan Edwards* provides just such a concise and comprehensive work, one that will be invaluable to students and scholars of American religion and theology as well as of literature, philosophy and history. Comprising twenty essays by leading scholars on Edwards, the book will inform and challenge readers on subjects ranging from Edwards' understanding of the Trinity, God and the world, Christ and salvation as well as of history, typology, the church and mission to Native Americans. It also includes a chronology of Edwards' life and writings that incorporates current research. Those familiar with Edwards' writings will find in these essays succinct expositions as well as bold new interpretations and others will find an accessible, authoritative up-to-date orientation to his multifaceted thought. The essays are by Robert E. Brown, Allen C. Guezlo, Robert W. Jenson, Wilson H. Kimnach, Janice Knight, Sang Hyun Lee, Gerald R. McDermott, Kenneth P. Minkema, Mark Noll, Richard R. Niebuhr, Amy Plantinga Pauw, John E. Smith, Stephen J. Stein, Harry S. Stout, Douglas A. Sweeney, Peter J. Thuesen and John F. Wilson.

Travel Through Ephesians Thomas L. Hiegel, 2013-06 What does Paul mean when he says to walk, lead a life worthy of the divine calling to which you have been called? God says to the readers of Ephesians and to each of us: Here my child, this is your identity, your position, stand in your rights. Paul's great letter to the church located in a city full of idols and paganism is quite appropriate for study in our day. It could be called Paul's masterpiece because of its depth and vastness. Ephesians could be considered a theology course for every believer or perhaps a treatise on the church. Paul desires every reader to mature in faith, love, character and revelation. He celebrates in a basic theme of redemption by God and describes how the redeemed person should live. Paul's revelation on many subjects is our Scripture and guide for life. He expounds on existence in Christ, the spiritual blessings of every believer, the role of The Holy Spirit in the Christian's life, the transformation of grace, election, predestination and adoption of God's children, redemption through Christ's blood, family life

and spiritual warfare and God's mighty armor I encourage you to make a journey with me through Ephesians I believe it will change your life *Attending the Wounds on Christ's Body* Elizabeth Newman, 2012-10-18 The disunity of the church is a social and theological scandal for it betrays the prayer of Jesus that we will be one so that the world will believe John 17:21 As a Baptist whose academic background focused on the Orthodox Church and whose teaching has included Catholic and Protestant contexts this division is for Elizabeth Newman personal and professional Attending to the Wounds on Christ's Body rests on the conviction that the broad tradition of Christianity already contains resources to heal the church namely the saints of the church Newman examines especially how Teresa of Avila 1515-1582 speaks to the whole church today in the midst of political economic and ecclesial brokenness Teresa's reliance upon three scriptural figures dwellings marriage and pilgrimage helps make sense of an ecclesial way of life that is inherently unitive a unity that stands in contrast to that of the nation state or the global market Teresa's scriptural journey offers an alternative at once liturgical political and economic This Doctor of the Church provides medicine that can repair wounds of division that separate brothers and sisters in Christ
