*The Jesus Code* John Randolph Price, 2000-02-01 A mystical experience reveals a new paradigm for life enabling us as the phoenix to rise triumphant from scarcity, discord and sickness into a light filled world of abundance, right relations and wholeness. In a very vivid dream during the night of January 1, 1998, John Randolph Price was emphatically denied access to the secret gate leading to Cosmic Consciousness. Both curious and concerned, he pondered what to do next. Then he was suddenly given the specific instruction: See Jesus for the Code. John began the task immediately upon awakening first with quiet prayer to become attuned to the mind which was in Christ. Jesus followed by several days of meditative inner plane work. There was little progress until he took a break from the project and went for a long walk in the woods. And it was there that he heard the central message of the Code: a challenge for all of us to embrace a new Model of Reality and change our perspective on what it means to be spiritual in this world. From this mystical experience came specific steps to higher consciousness: a ladder to climb to a new dimension where the illusions of sickness, scarcity and discord are shattered and a world of wholeness, abundance and right relations is revealed. John was also given a glimpse of the future as we enter the millennium and was shown how lasting peace will finally come to planet Earth.
