Nickelsburg in Perspective, vol. 1 Jacob Neusner, Alan Avery-Peck, 2022-11-07 Here we reread George W E Nickelsburg's more important articles and encounter afresh some of his books to criticize them and to attend to his response to the criticism This set of Auseinandersetzungen thus carries forward the life of learning and debate that yields a rich harvest of scholarship It pays tribute to a scholar through acts of engaged critical scholarship in which specialists reread articles reproduced in these pages and respond to them with Nickelsburg then joining issue a protracted engagement spanning an entire intellectual career and many of its more important moments Nickelsburg's work not only deserves such rigorous analysis it also sustains it On any list of scholars who over the past forty years have defined and cultivated the field of Second Temple Judaism and early Christianity George Nickelsburg is included at or near the top Here we present the natural outcome of such a life in the academy scholars in contention over truth The print edition is available as a set of two volumes 9789004129870

A Testimony of Jesus Christ - Volume 1 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions *Calling All Overcomers: An Interpretation of the Book of Revelation* James Harman,2015-04-02 Perplexed by the book of Revelation Not sure what all the signs symbols and metaphors really mean Jim Harman s latest work unravels Apostle John s remarkable revelation of Jesus Christ and what s in store for the inhabitants of planet Earth This extraordinary commentary is not another cookie cutter rehash of the popular teachings fostered by the Left Behind phenomena so prevalent in today s church This unique book outlines the 7 strategic sections of John s vision that are further divided into 7

Charlesworth, 1983 Western culture has been shaped largely by the Bible In attempting to understand the Scriptures scholars of the last three hundred years have intensively studied both these sacred texts and other related ancient writings A cursory examination reveals that their authors depended on other sources some of which are lost and some of which have recently come to light Part of these extant sources are the pseudepigrapha Though the meaning of the word can be disputed by scholars The Old Testament Pseudepigrapha is a collection of those writings which are for the most part Jewish or Christian and are often attributed to ideal figures in Israel's past Volume 1 of this work contains two sections The first is Apocalyptic Literature and Related Works An apocalypse from the Greek meaning revelation or disclosure is a certain type of literature which was a special feature of religions in late antiquity In the past the definition was derived from the study of only some of the extant apocalypses especially the Apocalypse the Book of Revelation This has changed and the present edition of the pseudepigrapha includes nineteen documents that are apocalypses or related literature It will now be easier to perceive the richness of apocalyptic literature and the extent of early Jewish and Christian apocalyptic ideas and apocalyptic religion T&T Clark Encyclopedia of Second Temple Judaism Volume Two Loren T. Heiser,2018-09-19 What does the Bible really tell us about the heavenly host Everyone knows that angels have wings usually carry harps and that each of us has our own personal guardian angel right We all have some preconceptions about angels from movies television shows and other media but you might be surprised to know that a lot of those notions aren't based on anything from the Bible If you read Luke 1:26-38 and imagine the angel Gabriel standing before Mary with neatly folded white wings you're not getting that picture from anything the Bible itself says What the Bible really says about angels is overlooked or filtered through popular myths This book was written to help change that It's a book about the loyal members of God's heavenly host and while most people associate them with the word angel that's just one of many terms the Bible uses for supernatural beings In The Unseen Realm Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world it was written in In his latest book Angels Dr Heiser reveals what the Bible really says about God's supernatural servants Heiser focuses on loyal holy heavenly beings because the Bible has a lot more to say about them than most people suspect Most people presume all there is to know about angels is what has been passed on in Christian tradition but in reality that tradition is quite incomplete and often inaccurate Angels is not guided by traditions stories speculations or myths about angels Heiser's study is grounded in the terms the Bible itself uses to describe members of God's heavenly host he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world The Bible's view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period Jewish writings from around the fifth century BC to the first century AD This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways With that important background established the book focuses on what the New Testament tells us about God's holy ones Finally the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today
