Smythe,2015-01-12 Set against the backdrop of a windswept valley rolling hillsides and several disjointed suburban communities The New Bridge represents an amazing novel of intrigue suspense and compelling drama A hard working family oriented cast that was never able to completely think through periods of challenge and change desperately tries to put their lives back on track But their attempt at grappling with the heralding changes confronting them ends in spectacular failure It isn t surprising after years of effort that they fall back to their old routine of crime and violence There s only one problem Crime doesn t pay Amnesia Peter Carey,2015-01-13 The two time Booker Prize winner now gives us an exceedingly timely exhilarating novel at once dark suspenseful and seriously funny that journeys to the place where the cyber underworld collides with international power politics When Gaby Baillieux releases the Angel Worm into Australia s prison computer system hundreds of asylum seekers walk free And because the Americans run the prisons let s be honest as they do in so many parts of her country the doors of some five thousand jails in the United States also open Is this a mistake or a declaration of cyber war And does it have anything to do with the largely forgotten Battle of Brisbane between American and Australian forces in 1942 Or with the CIA influenced coup in Australia in 1975 Felix Moore known to himself as our sole remaining left wing journalist is determined to write Gaby s biography in order to find the answers to save her his own career and perhaps his country But how to get Gaby on the run scared confused and angry to cooperate Bringing together the world of hackers and radicals with the special relationship between the United States and Australia and Australia and the CIA Amnesia is a novel that speaks powerfully
