Were Going On A Bar Hunt A Parody English Edition:

No Kids Allowed Michelle Ann Abate, 2020-10-13 Children's literature isn't just for children anymore. This original study explores the varied forms and roles of children's literature when it's written for adults. What do Adam Mansbach's *Go the F k to Sleep* and Barbara Park's *MA There's Nothing to Do Here* have in common? These large-format picture books are decidedly intended for parents rather than children. In *No Kids Allowed*, Michelle Ann Abate examines a constellation of books that form a paradoxical new genre: children's literature for adults. Distinguishing these books from YA and middle-grade fiction that appeals to adult readers, Abate argues that there is something unique about this phenomenon. Principally defined by its form and audience, children's literature, Abate demonstrates, engages with more than mere nostalgia when recast for grown-up readers. Abate examines how board books, coloring books, bedtime stories, and series detective fiction, written and published specifically for adults, question the boundaries of genre and challenge the assumption that adulthood and childhood are mutually exclusive.

We're Going on a Bar Hunt Emlyn Rees, Josie Lloyd, 2013. Authors Emlyn Rees and Josie Lloyd also happen to be parents, so they understand the complications of organizing a rare night out. In this parody of the famous children's book, two parents set off for a night on the tiles and encounter a series of watering holes and bars before an alarming encounter with a bear sends them running home to their children.

A Thousand Eyes Junior Burke, 2018-05-25 with the smell and smoke and taste still harsh in his nostrils, eyes and throat, he needed to warn others not just his own kind but all other non-humans. Death was in the air. When Todd Wendt, recovering from the tragic death of his wife, is sent to oversee operations at a regional cement plant in Colorado, news reaches him of a series of vicious animal attacks. Over time, it becomes clear that the attacks taking place in this small mountain town are far from random. Todd and his company are being targeted.
