Hearings United States. Congress. Senate. Committee on Post Offices and Post Roads, 1937 **History's Most Dangerous Jobs: Navvies** Anthony Burton, 2012-01-31 This is the story of the men who built Britain's canals and railways not the engineers and the administrators but the ones who provided the brawn and muscle There had never been a workforce like the navvies a great army of men moving about the country following the work as it became available This book will tell of their extraordinary feats of strength and their often colourful lives They lived rough usually having to make do with huts and shelters cobbled together from whatever materials were available They worked hard and drank hard Often exploited by their employers they were always liable to erupt into riots that could have fatal results The book will look at who these men were where they came from and destroy the myth that they were all Irish It is a story full of drama but above all one of great achievements **Telephone Magazine** , 1905 Violations of Free Speech and Rights of Labor United States. Congress. Senate. Committee on Education and Labor, 1936 **Chevato** William Chebahtah, Nancy McGown Minor, 2007-01-01 Here is the oral history of the Apache warrior Chevato who captured eleven year old Herman Lehmann from his Texas homestead in May 1870 Lehmann called him Bill Chiwat and referred to him as both his captor and his friend Chevato provides a Native American point of view on both the Apache and Comanche capture of children and specifics regarding the captivity of Lehmann known only to the Apache participants Yet the capture of Lehmann was only one episode in Chevato's life Born in Mexico Chevato was a Lipan Apache whose parents had been killed in a massacre by Mexican troops He and his siblings fled

across the Rio Grande and were taken in by the Mescalero Apaches of New Mexico Chevato became a shaman and was responsible for introducing the Lipan form of the peyote ritual to both the Mescalero Apaches and later to the Comanches and the Kiowas He went on to become one of the founders of the Native American Church in Oklahoma The story of Chevato reveals important details regarding Lipan Apache shamanism and the origin and spread of the type of peyote rituals practiced today in the Native American community This book also provides a rare glimpse into Lipan and Mescalero Apache life in the late nineteenth century when the Lipans faced annihilation and the Mescaleros faced the reservation Iron River Daniel Acosta,2018-10-16 2019 Paterson Prize winner Skipping Stones Book Award Kirkus Reviews Best YA Historical Fiction of 2018 A river runs through young Manny Maldonado Jr s life heart and imagination Sometimes at night it even shoots through his brain like a bullet But this river isn t water it s iron the tracks and trains of the Southern Pacific railroad that pass along his tight knit neighborhood in the San Gabriel valley just ten miles east of L A The iron river is everything to Man on Fire Man for short to his friends Little Man to his uncles and cousins He watches it he waits for it he plays nears its tracks he listens for the weight of its currents strong currents flowing east pulling two hundred boxcars light current going west with less than fifty cars he whiles away long summer days throwing rocks and bricks at it with his friends Danny Marco and Little They line up cans and bottles in mock battles to try to throw it off track But nothing derailes the iron river and nothing stops the stinking cop Turk from trying to pin a hobo s murder on the four young boys Antiriot Bill, 1967 United States.
