**Eduqas AS and A Level Music Study Guide** Rhinegold Education,2017-01-08      OCR AS And A Level Music Study Guide Huw Ellis-Williams,Maria Johnson,Susan Roberts,2017-02-03 The OCR AS and A Level Music Study Guide is a definitive study guide for the AS and A Level specifications For exams in 2017 and 2018 AS in 2018 and 2019 A Level This comprehensive guide covers all components of the AS and A Level courses Performing Composing and Appraising As well as giving students support and practice in dealing with unfamiliar repertoire the historical context behind each Area of Study and the terminology and techniques required practice questions and answers will ensure that every student is as comfortable as possible with the exams and familiar with what to expect      West Side Story as Cinema Ernesto R. Acevedo-Muñoz,2013-10-08 For millions of moviegoers unable to see the original stage version of West Side Story director Robert Wise s adaptation was a cinematic gift that brought a Broadway hit to a mass audience Ernesto Acevedo Mu oz argues that Wise s film was not only hugely popular but that it was also an artistic triumph that marked an important departure in the history of American movie making With a score by Leonard Bernstein and choreography by Jerome Robbins this update of the Romeo and Juliet story remains one of the most revered and highly popular American movie musicals with only Singin in the Rain ranking higher in the AFI s list of the best of the genre Acevedo Mu oz draws on previously unreleased production documents from interoffice memos to annotations on the director s script to go beyond publicity accounts and provide an inside look at this critically acclaimed film classic offering details of its filming that have never before been published From location scouting to scripting to casting to filming Acevedo Mu oz focuses on little known details of the actual production He provides close analyses of dramatic sequences and musical numbers emphasizing the film s technical innovations and its visual and aural coding as a means for defining character and theme He carefully explains the differences between Broadway and film versions exposing censorship and creative issues that the filmmakers were forced to confront And taking readers behind the cameras he highlights the creative differences and financial difficulties that led to the departure of Robbins who had conceived and directed the stage version long before filming was complete Acevedo Mu oz makes a strong case for the film s daring vision in combining music dance dialogue and visual elements especially color in highly creative ways while also addressing the social racial and class tensions of American society Drawing on his own Puerto Rican heritage he provides a Hispanic perspective on the cultural aspects of the story and explores the ways in which the film s portrayal of Puerto Rican identity is neither as transparent nor as negative as some critics have charged Bursting with facts insights and inside stories this book boasts a wealth of material that has never been explored before in print Both history and homage it is a must for scholar and buff alike      *West Side Story* Elizabeth A.
