Westminster Confession A Commentary:

The Westminster Confession: A Commentary A.A. Hodge, 2015-02-09 Archibald Alexander Hodge 1823 1886 son of theologian Charles Hodge was an American Presbyterian leader and the principal of Princeton Seminary *Faith of Our Fathers* Wayne R. Spear, 2006 People are returning by the thousands to the study of the Westminster Confession Helping a new generation to understand and apply the Scriptures the Confession is being rediscovered as a valuable summary of Bible teaching pointing students to the authority of the Scriptures *Faith of Our Fathers* is a concise and contemporary look at the Confession a document written over 350 years ago Author Wayne Spear offers historical background and paragraph by paragraph commentary to help the 21st century layperson to glean the treasures of the Confession What is more Spear demonstrates the value of the Confession in everyday application and devotional use keeping the Christian from error and holding up a mirror to self righteousness Paper 176 pp [A Guide](#) John Henry Gerstner, Douglas F. Vaden Cavett, 2017-07-10 [The Theology of the Westminster Standards](#) J. V. Fesko, 2014-06-30 For centuries countless Christians have turned to the Westminster Standards for insights into the Christian faith These renowned documents first published in the middle of the 17th century are still considered by many to be some of the most beautifully written summaries of the Bible's teaching ever produced Church historian John Fesko walks readers through the background and theology of the Westminster Confession the Larger Catechism and the Shorter Catechism helpfully situating them within their original context Organized according to the major categories of systematic theology this book utilizes quotations from other key works from the same time period to shed light on the history and significance of these influential documents [Truth's Victory Over Error](#) David Dickson, 2007-01-01 This book is not merely of historical interest

it is also of considerable value now because many of the errors refuted within its pages have surfaced again in the 21st century church under new guises Christians today can learn a great deal from the faithful witness of former generations who experienced truth's victory over error Truth's Victory Over Error contains David Dickson's lectures on the Westminster Confession of Faith delivered to the divinity students of Edinburgh University in the early 1650s Here then is a commentary written just a few brief years after the Westminster Divines drew up their famous Confession of 1647 by one of their senior contemporaries Dickson's comments reveal the burning issues of the day and supply fascinating insight into the robust theology of the Scottish Puritans In the Introduction to the book Robert Wodrow writes that the author as it were breaks the truths of our Confession small and prepares them for the meanest capacities Here then is a useful aid for Christians who want to study and understand the doctrines of the Confession itself Dickson was concerned to explain the truth and refute error Not content merely to establish the Confession's articles from Scripture he also guards against the gangrene and poison of contrary errors with judgment and perspicuity Wodrow Like all true evangelicals Dickson saw the vital need of expressing the Bible's teaching in both negative and positive propositions Publisher *The Encyclopedia of Christianity, Vol. 5* Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Written by leading scholars from around the world the articles in this volume range from sin Sufism and terrorism to theology in the 19th and 20th centuries Vatican I and II and the virgin birth *Heirs With Christ* Joel R. Beeke, 2008-01-01 The Puritans have gotten bad press for their supposed lack of teaching on the doctrine of spiritual adoption In *Heirs with Christ* Joel R Beeke dispels this caricature and shows that the Puritan era did more to advance the idea that every true Christian is God's adopted child than any other age of church history This little book lets the Puritans speak for themselves showing how they recognized adoption's far reaching transforming power and comfort for the children of God Table of Contents 1 Introduction Correcting a Caricature 2 The Greatness and Comprehensiveness of Adoption 3 Adoption Compared in the Two Testaments 4 What Adoption Is Not 5 The Westminster Assembly's Definitions of Adoption 6 The Transforming Power of Adoption 7 Pastoral Advice in Promoting Adoption 8 The Marks of Adoption 9 Transformed Relationships in Adoption 10 The Privileges and Benefits of Adoption 11 The Responsibilities or Duties of Adoption 12 Motives for Pursuing the Consciousness of Adoption 13 Warning Invitation and Comfort **The Giver of Life** J. Archibald Alexander Hodge, 2017-11-23 Excerpt from A Commentary on the Confession of Faith With Questions for Theological Students and Bible Classes Dr Mitchell proves that the Confession was conformed in the order of its chapters and the type of its doctrine more to the Articles of the Irish Church than to any other model These were drawn up by Archbishop Ussher in 1615 when he was professor of divinity in Trinity College Dublin The correspondence of the Larger Catechism is also very striking with the Body of Christian Doctrine a compilation attributed to Ussher when a youth and circulated in the Westminster Assembly About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Westminster Confession of Faith and the Cessation of Special Revelation Garnet Howard Milne, 2007-12-01 In the opening chapter of the Confession the divines of Westminster included a clause that implied that there would no longer be any special immediate revelation from God Means by which God had once communicated the divine will such as dreams visions and the miraculous gifts of the Spirit were said to be no longer available However many of the authors of the WCF accepted that prophecy continued in their time and a number of them apparently believed that disclosure of God's will through dreams visions and angelic communication remained possible How is the cessationist clause of WCF 1.1 to be read in the light of these claims This book reconciles this paradox in a detailed study of the writings of the authors of the Westminster Confession of Faith
