Stanford

Q1: What matters most to you and why?

Q2: Why Stanford?

Wharton (Penn State)

Q1: How do you plan to use the Wharton MBA program to help achieve your future professional goals? (You might consider your past experience, short and long-term goal, and resources available at Wharton).

Q2: Taking into consideration your background — personal, professional, and/or academic — how do you plan to make specific, meaningful contributions to the Wharton community?

Sloan (MIT)

MIT Sloan seeks students whose personal characteristics demonstrate that they will make the most of the incredible opportunities at MIT, both academic and non-academic. We are on a quest to find those whose presence will enhance the experience of other students. We seek thoughtful leaders with exceptional intellectual abilities and the drive and determination to put their stamp on the world. We welcome people who are independent, authentic, and fearlessly creative — true doers. We want people who can redefine solutions to conventional problems, and strive to preempt unconventional dilemmas with cutting-edge ideas. We demand integrity and respect passion.

Taking the above into consideration, please submit a cover letter seeking a place in the MIT Sloan MBA program. Your letter should conform to a standard business correspondence, include one or more professional examples that illustrate why you meet the desired criteria above, and be addressed to the Admissions Committee (300 words or fewer, excluding address and salutation).

HBS

As we review your application, what more would you like us to know as we consider your candidacy for the Harvard Business School MBA program?

London

Q1: What are your post-MBA goals and how will your prior experience and the London Business School programme contribute towards these?

Q2: Is there any other information you believe the school admission committee should know about you and your application to London Business School?

Columbia

Q1: (Short answer) What is your immediate post-MBA professional goal?

Q2: Through your resume and recommendation, we have a clear sense of your professional path to date. What are your career goals over the next three to five years and what, in your imagination, would be your long-term dream job?
