The Complete MBA Companion IMD International (Institute), Wharton School, 1997 The latest in management thinking from the world's leading business schools

Benevolent Barons Quentin R. Skrabec, Jr., 2015-07-01 American business has always had deep roots in community For over a century the country looked to philanthropic industrialists to finance hospitals parks libraries civic programs community welfare and disaster aid Worker centered capitalists saw the workplace as an extension of the community and poured millions into schools job training and adult education Often criticized as welfare capitalism this system was unique in the world Lesser known capitalists like Peter Cooper and George Westinghouse led the movement in the mid to late 1800s Westinghouse in particular focused on good wages and benefits Robber barons like George Pullman and Andrew Carnegie would later succeed in corrupting the higher benefits of worker centered capitalism This is the story of those accomplished Americans who sought to balance the accumulation of wealth with communal responsibility

Handbook of Research on Management and Organizational History Kyle Bruce, 2020-04-24 Emerging from what was a somewhat staid sub discipline there is currently a battle for the soul of Management and Organizational History MOH at the centre of which is a widespread concern that much recent work has been more about how one should or might do history rather than actually doing historical work If ever there was a time for a new volume on MOH this is certainly it

A Very Short, Fairly Interesting and Reasonably Cheap Book About Studying Organizations Chris Grey, 2012-11-22 Conceived by Chris Grey and written to get you thinking the Very Short Fairly Interesting and Reasonably Cheap series offers an informal conversational accessible yet sophisticated and critical overview of what you find in conventional textbooks The Third Edition of Studying Organizations has been updated in light of the continuing financial and economic crisis It shows how this grew out of a thirty year experiment in new capitalism and links this to changes in the world of work organizations in terms of growing insecurity inequality and to shifts in the status of management Suitable for students of organizational studies and management professionals working in organizations and anyone curious about the workings of organizations Visit Chris Grey's accompanying blog and read his comments on current news stories and how they relate to themes in the book
