Whose Promised Land? Colin Chapman, 2024-10-07 The go to text for Christians and others wanting to understand what is really happening in the Middle East Jeremy Moodey former Chief Executive Embrace the Middle East The conflict between Israel and the Palestinians has profoundly affected the Middle East for almost eighty years and shows no sign of ending With two peoples claiming the same piece of land for different reasons it remains a huge political and humanitarian problem Can it ever be resolved If so how These are the basic questions addressed in this revised and expanded sixth edition of Colin Chapman's highly acclaimed book Having lived and worked in the Middle East at various times since 1968 Chapman explains the roots of the problem and outlines the arguments of the main parties involved He also explores the theme of land in the Old and New Testaments discussing legitimate and illegitimate ways of using the Bible in relation to the conflict This new and fully updated edition covers developments over the past ten years including the war that broke out between Israel and Hamas in October 2023

Jewish Civilization Shmuel N. Eisenstadt, 2012-02-01 This book explains why the best way to understand the Jewish historical experience is to look at Jewish people not just as a religious or ethnic group or a nation or people but as bearers of civilization This approach helps to explain the greatest riddle of Jewish civilization namely its continuity despite destruction exile and loss of political independence In the first part of the book Eisenstadt compares Jewish life and religious orientations and practices with Hellenistic and Roman civilizations as well as with Christian and Islamic civilizations In the second part of the book he analyzes the modern period with its different patterns of incorporation of Jewish communities into European and American societies national movements that developed among Jews toward the end of the nineteenth century especially the Zionist movement and specific characteristics of Israeli society The major question Eisenstadt poses is to what extent the characteristics of the Jewish experience are distinctive in comparison to other ethnic and religious minorities incorporated into modern nation states or other revolutionary ideological settler societies He demonstrates through his case studies the continuous creativity of Jewish civilization

The Jewish Time Line Encyclopedia Mattis Kantor, 1993-12-01 Kantor writes from the perspective of a traditional Jew covering events such as the Flood giving of the Torah and the fall of the Tower of Babel placing these within the chronology of history along with the Spanish Inquisition the Holocaust and the founding of the State of Israel

[From Object to Performance](#) Dror Harari, 2025-07-24 From Object to Performance identifies analyses and critically contemplates the advent of a performance mentality and the gradual maturation of a performative turn in Israeli art Manifested in the transition from object oriented art to performance based art this cultural moment reflected both the exposure and responsiveness of young Israeli artists to experimental currents in North American and Western European art

and these artists need to respond to acute social and political conditions questioning Israeli national myths and collectivist ideals From Object to Performance offers the first comprehensive exploration of the origins of action and performance art in Israel contributes an important component to unravelling the global enigma of performance art histories and considers the historiographic challenges encountered when studying the emergence and early years of performance based practices This book will appeal to students and scholars of performance studies art history cultural studies and Israel studies as well as to curators of contemporary art and performance and artists The book should also be of interest to the growing number of theater and art historians who research the beginnings and development of action and performance art

and the pondering of theodicy by poetic sages The Character of David in Judaism, Christianity and Islam ,2021-11-29

King David is one of the most central figures in all of the major monotheistic traditions. He generally connotes the heroic past of the more imagined than real ancient Israelite empire and is associated with messianic hopes for the future. Nevertheless, his richly ambivalent and fascinating literary portrayal in the Hebrew Bible is one of the most complex of all biblical characters. This volume aims at taking a new critical look at the process of biblical creation and subsequent exegetical transformation of the character of David and his attributed literary composition, the Psalms, with particular emphasis put on the multilateral fertilization and cross-cultural interchanges among Jews, Christians, and Muslims. *The Cambridge History of Judaism: Volume 5, Jews in the Medieval Islamic World* Phillip I. Lieberman, 2021-09-02

Volume 5 examines the history of Judaism in the Islamic World from the rise of Islam in the early sixth century to the expulsion of Jews from Spain at the end of the fifteenth. This period witnessed radical transformations both within the Jewish community itself and in the broader contexts in which the Jews found themselves. The rise of Islam had a decisive influence on Jews and Judaism as the conditions of daily life and elite culture shifted throughout the Islamicate world. Islamic conquest and expansion affected the shape of the Jewish community as the center of gravity shifted west to the North African communities and long-distance trading opportunities led to the establishment of trading diasporas and flourishing communities as far east as India. By the end of our period, many of the communities on the other side of the Mediterranean had come into their own while many of the Jewish communities in the Islamicate world had retreated from their high water mark. Be Mature in Understanding Ben Midgley, Martin Pakula, Paul F. Morris, 2021-04-21

This book has been written out of a deep concern to see Jewish believers in Yeshua (Jesus) playing their part in the worldwide church of Messiah, using their knowledge of God's word, their Jewishness, their natural and spiritual gifts, and a humble, thankful heart. Knowledge of the truths of Scripture is a vital key to love for God and fruitfulness in his service, and this book focuses on both the Bible's unfolding story, biblical theology, and its specific doctrines and their interrelationship, systematic theology. Our aim is to build a biblical framework of thinking in the heart and mind. It is written from an evangelical understanding and in a way that interacts with the main forms of Judaism and Christianity. It is a study book with questions to answer and further reading suggestions. Similar books of doctrine with the same scope have been written, but few if any take account of the context of Jewish readers and the issues which are important to them. The authors have attempted to achieve this within the context of the whole counsel of God. Error sets no one free, but truth does. The hope of the authors is for readers to be free to love and serve the Lord with all their mind and heart. **A History of Bodies, Brains, and Minds** Francisco Aboitiz, 2024-09-17

A panoramic view of the evolution of life on our planet from its origins to humanity's future. In *A History of Bodies, Brains, and Minds*, Francisco Aboitiz provides a brief history of life, the brain, and cognition from the earliest living beings to our own species. The author proceeds from the basic premise that since evolution by natural selection is the process underlying the origin of life and its evolution on earth, the

brain and thus our minds must also be the result of biological evolution The aim of this book is to narrate how animal bodies came to be built with their nervous systems and how our species evolved with culture technology language and consciousness The book is organized in four parts each delving into a different aspect of evolutionary development Definitions lays the groundwork by discussing the principles of biological evolution and explores the definition and mechanisms of life itself Beginnings describes the origins of life starting from the emergence of the first cells to the development of neurons as the building blocks for brain networks The Rise of Bodies and Brains examines the evolution of animals with bilateral symmetry the emergence of chordates and vertebrates and the expansion and diversification of the vertebrate brain A Singular Ape explores Homo sapiens and our species unique traits such as bipedality tool use culture language communication and consciousness Comprehensive and deeply insightful this book helps us understand our place in the natural world and the cosmos as well as what the future might hold for life on earth **Opening the Gates of Heaven** Perry Stone,2012 In Opening the Gates of Heaven Perry Stone shows you how to release the flow of heaven s blessing through both God s revelation and the intervention of angelic messengers Post-Orientalism and Contemporary American Novels Mousa Abu Haserah,2023-08-09 This book provides a scientific and academic contribution to the scholarly exploration of the complex relationship between the East and the West in American literature The study focuses on four novels Mornings in Jenin Falling Man The Reluctant Fundamentalist and Riyah Al Janna The Wind of Paradise to discuss how the literature reflects on Middle Eastern themes in relation to the situations and conditions of the New East It treats the Orient as a moving body and takes Edward Said s Orientalism into account also showing Post Orientalism or the New East as a literary phenomenon in the 21st century specializing in politics militarism and post colonial ideology The book explains and divides the Middle East into two parts the Arab Islamic Middle East and the non Arab Islamic Middle East It highlights the similarities and differences between these two parts as depicted in various novels presenting the East as a land of desolation and destruction due to the political regional and religious changes that have shaken it **The Dead Sea Scrolls, A Full History** Weston Fields,2009-11-11 Preceded by The Dead Sea Scrolls A Short History The Dead Sea Scrolls A Full History vol 1 is the first of a projected two volumes offering a more complete account of the discovery of the scrolls and their history over the past 60 years since the first scrolls were discovered in a cave near the Dead Sea Creation, Covenant, and the Beginnings of Judaism Ari Mermelstein,2014-10-13 This study examines the relationship between time and history in Second Temple literature Numerous sources from that period express a belief that Jewish history began with an act of covenant formation and proceeded in linear fashion until the exile an unprecedented event which severed the present from the past The authors of Ben Sira Jubilees the Animal Apocalypse and 4 Ezra responded to this theological challenge by claiming instead that Jewish history began at creation Between creation and redemption history unfolds as a series of static repeating patterns that simultaneously account for the disappointments of the Second Temple period and confirm the eternal nature of

the covenant As iterations of timeless cyclical patterns the difficult post exilic present and the glorious redemption of the future emerge as familiar unremarkable and inevitable historical developments *A History of the Jews in Babylonia, Part 1* Jacob Neusner, 2008-12-15 Jacob Neusner is Research Professor of Religion and Theology at Bard College and Senior Fellow of the Institute of Advanced Theology at Bard He has published more than 900 books and unnumbered articles both scholarly and academic and popular and journalistic and is the most published humanities scholar in the world He has been awarded nine honorary degrees including seven US and European honorary doctorates He received his AB from Harvard College in 1953 his PhD from Columbia University and Union Theological Seminary in 1961 and rabbinical ordination and the degree of Master of Hebrew Letters from the Jewish Theological Seminary of America in 1960 Neusner is editor of the Encyclopedia of Judaism Brill 1999 I III and its Supplements Chair of the Editorial Board of The Review of Rabbinic Judaism and Editor in Chief of The Brill Reference Library of Judaism both published by E J Brill Leiden The Netherlands He is editor of Studies in Judaism University Press of America Neusner resides with his wife in Rhinebeck New York They have a daughter three sons and three daughters in law six granddaughters and two grandsons

A Prophet for Today Steven Pruzansky, 2006 Singled out as a work unique among the Prophets The Book of Yehoshua discusses the Israel in fulfillment of the Divine promise and the challenges that pertain to the building and development of a Jewish State Discover how the foundation of modern day Israel rests on a prophet understanding of the principles of Jewish statehood enunciated by Yehoshua and the role of every Jew in promoting the Jewish national identity Explore lessons relating to his mission destiny methods of conquest relations with renegades and neighbors and the means of securing Jewish possession of the land itself Rabbi Pruzansky draws contemporary practical lessons from this ancient prophetic work and shows us how to apply them to our own lives The Book of Yehoshua is not merely a record of the past but relevant to today tomorrow and the distant future its pages contain ideas that are timeless and essential to Jewish life throughout the ages

Reclaiming Israel's History David Brog, 2017-03-20 The Real History of Israel and the Palestinians No history is so disputed as the history of Israel Some see Israel's creation as a dramatic act of justice for the Jewish people Others insist that it was a crime against Palestine's Arabs Author David Brog untangles the facts from the myths to reveal the truth about the Arab Israeli conflict In Reclaiming Israel's History you'll learn how the Jewish people have maintained a continual presence in the Land of Israel for over 3 000 years despite centuries of Roman Byzantine and Muslim persecution how the Romans invented the word Palestine as a way to sever the connection between the Jewish people and their land and how subsequent conquerors doubled down on this strategy how modern Jewish immigration to Palestine did not displace Arabs but instead sparked an Arab population boom and the largely untold story of how the leader of Palestine's Arabs collaborated with the Nazis to murder Jews in Europe before they could reach their ancestral homeland You'll also learn why most of Palestine's Arabs never identified themselves as Palestinians until after the 1967 War the extraordinary lengths to which Israel's military goes to protect Palestinian civilians and the high

price Israel's soldiers pay for this morality and how the Palestinians have on separate occasions rejected Israel's offers of a Palestinian state in virtually all of the West Bank and Gaza Brog frankly admits to Israel's sins both large and small but notes that in any fair minded analysis these have been far out weighed by Israel's commitment to Western values including freedom democracy and human rights Honest provocative and timely especially given rising anti Semitism and the aggressive delegitimization of Israel David Brog's Reclaiming Israel's History is the book for every reader who wants to understand what is really happening in the Middle East

Songs of Messiah Michael Adi Nachman, 2012-10-03 Every single true prophet in the Bible came singin in the name of one true G d the Father of Yahushua the Messiah whose name is Yahuah Yahuah G d of Abraham the God of Yitzhak the God of Yaaqob is his name From Noah with whom Yahuah made a covenant to Jesus Yahushua whom Yahuah made into a covenant they all came in that name If you can not read Hebrew but wonder what the Bible says in Hebrew this book is for you There are literally hundreds of passages in Hebrew and Greek written out in letters of the English alphabet If you then take those scriptures and make a melody and sing them to Yahuah you will learn the word as the Holy Spirit actually had it written You will access the ten commandments in Hebrew the declaration of Yahuah's unity in Hebrew Some of the most beautiful Psalms of David in Hebrew all using the English alphabet This book is unique for those who are hungry for justice and righteousness hungry for more of prophecy and the prophetic word hungry for the fear of Yahuah The Holy Spirit will use this book to speak to leadership saying This is the way walk in it Get this book and get blessed by Yahuah who made all things Get this book and get ready for the age to come and the rebuilding of the temple by 2037 if my calculations are correct Start singing the songs of Messiah in Hebrew today
