The New Yorker Harold Wallace Ross, Katharine Sergeant Angell White, 1976 Preparation of Rift Valley Fever Contingency Plans W. A. Geering, F. Glyn Davies, Vincent Martin, Food and Agriculture Organization of the United Nations, 2002-01-01 Rift Valley fever RVF is a mosquito borne viral animal disease which causes periodic severe epidemics principally involving ruminant animals As well as its severe socio economic and public health consequences this serious transboundary animal disease is a major constraint to international livestock trade This manual provides information on the nature of RVF and options for its prevention control and elimination It outlines a suggested national RVF contingency plan to be modified to suit the circumstances of individual countries as well as identifying personnel equipment and other facilities required A Manual of Materia Medica for Medical Students Edward Quin Thornton, 1927 **Time**, 1975 **New Times**, 1976 *Writing and Designing Manuals*, 2010-12-12 A survival guide for writers in the real world Writing and Designing Manuals Third Edition has become a standard reference for technical writers and editors Readable and practical it addresses all aspects of manual development from choosing a format to writing effective warnings Not limited to text elements the manual also provides guidance for designing illustrations to complement the text and underscore the safety warnings The completely revised and updated Third Edition includes Current materials on desktop publishing Alternative media such as videos CD ROMs and on line help The impact of new technology such as CD ROMs and digital cameras on manual design and production New regulations for products sold overseas Impact of the Internet on manual design Gone are the days when a manual might be a few pages of typewritten text Thanks to the advances in computer technology even tiny companies can produce slick professional publications Writing and Designing Manuals Third Edition guides you through the messy complex frustrating and fascinating business of producing manuals **Preparation of Foot-and-mouth Disease Contingency Plans** W. A. Geering, Juan Lubroth, 2002 Foot and mouth disease FMD is one of the most serious transboundary animal diseases It is a highly contagious viral disease and may have rapid and unanticipated national and international spread Although not a very lethal disease for adult animals it can cause crippling socio economic consequences through high production and trade losses This manual provides information on the nature of FMD and the principles and strategic options for its prevention control and elimination Guidelines are provided for individual countries threatened by FMD to formulate their overall national policy on control and eradication of a possible incursion of the disease **Scientific American**, 1976 Monthly magazine devoted to topics of general scientific interest **Road & Track**, 1980-02 Psychology Today, June 1975, 1975 **The Machine Gun, History, Evolution, and Development of Manual, Automatic, and Airborne Repeating Weapons** Ordnance Bureau (Navy Department), 1951 **U.S. News & World Report**, 1976 **Newsweek**, 1975-10 Sunset, 1976 **Handbook of Modern Treatment and Medical Formulary** William B. Campbell, 1919 **International Handbook of Education for the Changing World of Work** Rupert Maclean, David Wilson, 2009-06-29

The aim of this Handbook is to review the developments that have occurred in Technical and vocational education and training TVET and that may help improve the field The Handbook provides information on TVET models that occur in different parts of the world reflects best and innovative practice and wherever possible uses case studies as examples The 220 authors are representative of the various regions of the world and major international organisations involved in TVET This volume presents the work of established researchers as well as the work of promising young researchers Intended as the universally accepted resource for the field the Handbook provides a comprehensive coverage of cutting edge developments in research policy and practice in TVET within a single source It will assist those involved in TVET at any level in making informed decisions and further advance and improve the field and to bridge the gap between vocational and academic education in the 21st century
