Sexton,2000-03 The trouble all started when that Yankee playwright Anton O Masia came into town He hooked up with old Duke Forberry in Forberry s latest attempt to turn rust into gold Duke had bought the old Ritz Theatre and planned to open up competition against the Fountain of Youth Theatre you see Well that Yankee writer wrote this musical called Antichrist Superstar and Forberry put it on You can just imagine how a play with that title went over down here in the South It didn t take long for Rev Matthew Schaffner to get some protestors picketing up and down in front of the theatre They were led by that John Elway lookalike Tony Truwiss Like Anton said that boy could eat corn off the cob through a football facemask Tony sure did know how to put on a protest though He had Schaffner s older daughter Beth with him and that pretty little Erica Withershins too She s actually the one who got everything started by going to Rev Schaffner and telling him about the play in the first place A lot of people figured she did it to get even with her ex best friend Callie Pygusse who was the star of the play Not to mention sleeping with her director Anton Considering how much things got out of hand and we started making the national news it s actually a surprisingly funny story When I got the idea to make a book out of it it was already the most exciting thing to happen to our little town in years And that was well before Callie took off her clothes onstage and Beth s sister Mary revealed Pastor Schaffner s big secret and we all found out the shocking truth about Erica

**How to Ask for and Get What You Want** Catherine DePino,2020-10-01 We ve all experienced frustration asking for and getting what we want It plays out regularly with our partners children employers and businesses we patronize Sometimes we don t bother to ask for what we want even when it s perfectly reasonable thinking it will create hard feelings or spark an argument Often it s because we don t think we can succeed in getting what we want But nothing could be further from the truth How to Ask for What You Want and Get It Common Sense Tips That Work will help readers learn how to ask for what they want and get good results It teaches them how to stay in the game by using the right words It also shows how to build rapport by using positive body language The more you know what makes people operate as they do the better chance you ll have of helping them see things your way The most important aspect to negotiating anything is getting the other
