**The What Would Jesus Eat Cookbook** Don Colbert, 2011-10-30 In the What Would Jesus Eat Cookbook you'll discover an effective and delicious way of eating based on Biblical principles Medical doctor and author Don Colbert explains how you can lose weight prevent disease enjoy more balanced meals and attain vibrant health by changing the way you eat A companion to the bestselling book What Would Jesus Eat this cookbook offers inspired ideas for good eating and good living In What Would Jesus Eat Cookbook you'll find healthy dishes such as Mediterranean Lentil Soup Broiled Lamb Lebanese Fresh Fruit Salad Black Bean Hummus Apricot Couscous Rosemary Chicken Stew Modeled on Jesus' example the What Would Jesus Eat Cookbook emphasizes whole foods that are low in fat salt and sugar and high in nutrients and satisfying flavor This modern approach to an ancient way of eating offers a healthy alternative to today's fast food culture *The Year of Living like Jesus* Edward G. Dobson, 2009-11-10 It may appear from the cover that this is a nice book about growing a beard because Jesus did but be warned you will quickly discover that Ed's adventure takes him and us deep into the heart of grace mercy and the endless discovery of just what the way of Jesus looks like which of course has very little to do with having a beard Rob Bell Jesus Wants To Save Christians Inspiring insightful sometimes infuriating often funny a little weird like its author and a must read for anyone wanting to become a serious follower of Jesus Christ Cal Thomas Highly highly recommended Brian McLaren Evangelical pastor Ed Dobson had a radical idea Live one year as Jesus lived Eat as Jesus ate Pray as Jesus prayed Observe the sabbath as Jesus observed Attend the Jewish festivals as Jesus attended Read the Gospels every week

Dobson's transition from someone who follows Jesus to someone who lives like Jesus takes him into bars, inspires him to pick up hitchhikers and deepens his understanding of suffering. Living like Jesus is quite different from what we imagine. It may appear from the cover that this is a nice book about growing a beard because Jesus did, but be warned: you will quickly discover that Ed's adventure takes him and us deep into the heart of grace, mercy, and the endless discovery of just what the way of Jesus looks like, which of course has very little to do with having a beard. Millennials and Gen Zers have been characterized as individualistic capitalist consumers, as politically unengaged and spiritually selfish, or only interested in identity politics. This edited collection, by bringing together younger generations of theologians, activists, campaigners, artists, and those working in politics, academia, the church, economics, or community work, offers a new narrative of justice, one that is globally aware and actively intersectional. Bringing together powerful young voices with a wealth of contextually grounded experiences of faith and justice, spreading over Mexico, India, Nagaland, Germany, Wales, Ecuador, South Africa, Palestine, Brazil, Canada, Indonesia, Scotland, England, and the Pacific, the chapters in this book imagine daring new possibilities. Together, the chapters reveal a generation who face a burning, politically and religiously right-leaning, egotistical world and who know clearly that the legacies of Empire, which continue white hegemony, patriarchy, heterosexuality, normalized cisgender identities, the class war, colonial debts, Western epistemology, and ecological extraction, must be overcome and replaced by a transnational solidarity of resistance and reimagination. San Diego Magazine, 2005-05. San Diego Magazine gives readers the insider information they need to experience San Diego from the best places to dine and travel to the politics and people that shape the region. This is the magazine for San Diegans with a need to know. **Consuming Books** Stephen Brown, 2006-04-18. The buying, selling, and writing of books is a colossal industry in which marketing looms large, yet there are very few books which deal with book marketing, how to texts, excepted, and fewer still on book consumption. This innovative text not only rectifies this but also argues that far from being detached, the book business in fact epitomises today's Entertainment Economy: fast-moving, hit-driven, intense competition, rapid technological change, etc. Written by an impressive roster of renowned marketing authorities, many with experience of the book trade and all gifted writers in their own right, *Consuming Books* steps back from the practicalities of book marketing and takes a look at the industry from a broader consumer research perspective. Consisting of sixteen chapters divided into four loose sections, this key text covers a historical overview, the often acrimonious marketing/literature interface, the consumers of books, from book groups to bookcrossing, a consideration of the tensions that both literary types and marketers feel. With something for everyone, *Consuming Books* not only complements the how-to genre but provides the depth that previous studies of book consumption conspicuously lack. **Faith Reads** David Rainey, 2008-07-30.
