Simpson, 2007-04-01 It is an unfortunate reality that many men grow up in churches that suppress their God-given sexual urges. As a result, many Christian men, single and married, are frustrated with their love lives and their sex lives. The authors of this book claim that Christian men should be the greatest lovers in the world and then work to show men how to do it. They help men learn what the Bible says about a healthy sex life, discover how to relate to women as men instead of as boys, address psychological and spiritual issues that interfere with healthy sexuality, learn specific techniques that create a strong relationship, great foreplay and passionate sex. Solidly based in Scripture and informed by the experiences of the authors, all respected sex therapists, **What Wives Wish Their Husbands Knew about Sex** dispels the myths that keep good Christian men from experiencing sex as God meant it to be. Perfect for any man, it is also a great book for counselors and pastors who work with men.

What Angels Wish They Knew Alistair Begg, 1998-10-01 In an age that grants plausibility to every idea and certainty to none, WHAT CAN YOU BELIEVE? If you've ever wandered a mall, browsed a bookstore or explored the Internet, you've seen the evidence. We live in a culture desperately searching for meaning. Like the ancient Greeks, we are haunted by questions: Where did this world come from? Why am I here? As individuals and as a society, we are restless, longing for something or someone to believe in. There are perhaps millions of potential answers, but only one truth that wholly explains, resolves and offers hope for the plight of man. Of this life-giving message, Peter the disciple of Jesus Christ wrote: Even angels long to look into these things. Within these pages, author Alistair Begg explores these things more fully, offering fresh insights into the mystery and power of the gospel account and presenting a convincing argument to all those seeking answers to the meaning of life.

What Pastors Wish Church Members Knew Denise George, 2009-09-13 Pastors face a nearly impossible position. Even happy, healthy pastors struggle with pressures, pains and fears unique to their position. If pastors were given an opportunity to speak honestly, openly and anonymously about themselves, their families and their churches, what would they say? **What Pastors Wish Church Members Knew** provides that opportunity. Based on anonymous and honest interviews and surveys, a national cross-section of hundreds of pastors speak out about their personal life, faith, health, wife, children, finances, greatest joys, frustrations, disappointments, greatest fears and dreams. And you'll learn how you can better help and encourage your pastor. This is insightful and encouraging reading for anyone who cares about the future of the church. This is a companion to the book **What Women Wish Pastors Knew**.

What Kids Wish Parents Knew about Parenting Joe White, 2010-05-11 It is an alarming moment when it dawns on parents that their child is in trouble. And if you aren't perceptive, you may never know until you find a half-smoked marijuana joint in a jeans pocket on laundry day or a sexy love note left inadvertently on a dresser or a citation from the police. In times like these, when children are making adult decisions that are often devastatingly destructive, parents must examine the facts and learn how to be what their kids need them to be.

before it's too late **What Women Wish Pastors Knew** Denise George, 2009-05-26 This book will open your eyes to the needs, frustrations, dreams, and potential of your church's greatest resource: the 60 percent of its members who provide far more than 60 percent of what keeps it going. The women of your church think the world of you, pastor. But they deeply wish you understood a few things about them that can make an enormous difference to their well-being and that of your church. From the findings of her personal survey of hundreds of Christian women, Denise George shares with you unique, long-overdue insights about things that have left you scratching your head. Better still, you'll find out what you can actually do about them. The tiredness and the hurts of women. Their longing for friends, fellowship, and spiritual growth. Their concerns for their marriages and their children. Your impact on them. Respecting the ways women differ from men. Helping women fulfill their need to give to the church and much more.
