The True Test Is When No One Sees Robert N. D'Ambola,2020-11-06 Everyone will hate this book It is based on the course Ethics for Police Recruits that Robert D Ambola has instructed for over 20 years He has presented this class to almost 5 000 Police Officers Soon to be Police Officers will hate this book because it should scare the hell out of them and make them question why they want to do this job Veteran cops will hate it because it will remind them of the shit they had to put up with every day and the challenges they face while getting no appreciation or recognition The bosses will hate it because they are the bosses and responsible for a lot of the shit The politicians will hate it because they make the rules about things they have no clue about and the police ultimately get blamed for The media will hate it because of their skewed portrayal of the real American heroes of society to make them out to be the bad guys when they are not And then there are times the police turn out to be exactly that the bad guys The Police Training Commission will hate this book because it exposes the fact that they are running a dog and pony show to make the politicians and insurance companies happy instead of building a truly professional intelligent capable police officer who can deal with the current rigors of the job while protecting themselves at the same time The public will absolutely hate this book because they get what they pay for they have no idea what they are paying for and they don t know what they truly want from the police Do they want a warrior or a

guardian The book was not designed to slam any specific group but should be used to improve the entire Law Enforcement instructional model It is to learn from history so we do not repeat the same mistakes and continue to pass on The Stupid Gene to the next generation of Law Enforcement Officers In these turbulent times Law Enforcement needs to drastically improve in all areas before the entire system as we know it is abolished This is a raw subject so I have injected my own twisted humor to make it a bit more palatable Maybe you can handle the truth Read on Feel free to hate this book as long as you learn something from it *Patrick Lyoya killed by the police: What did I do wrong?* Godfrey Mwakikagile,2022 This work focuses on the tragic murder of Patrick Lyoya an immigrant from the Democratic Republic of Congo who was shot and killed by a police officer in Grand Rapids Michigan in April 2022 The case attracted national attention and drew reactions from around the world It was also covered by international media outlets including BBC and Aljazeera The author looks at the murder in the broader context of race relations and at relations between blacks and the police in Grand Rapids and across the country He also addresses problems of re adjustment to a new life in a new country African immigrants face in the United States Patrick Lyoya faced those problems He also explains although only briefly why the tragedy is inextricably linked with the fate of Lyoya s homeland in a geopolitical context where Western countries have played a critical role in determining the destiny of the country which has earned the unenviable distinction as the bleeding heart of Africa He also briefly examines globalisation which he describes as a new form of imperialism in the post Cold War era and how it is used to justify exploitation of Africa s natural resources including the Democratic Republic of Congo s vast amounts of minerals and how industrialised nations have helped to impoverish the country and fuel conflict there resulting in the death of millions of people and forcing countless others to flee and seek refuge in other countries including the United States Patrick Lyoya and his family and more than 8 000 other Congolese who settled in Grand Rapids were some of them Although the work briefly examines the ties the United States has had with the Democratic Republic of Congo since independence in the sixties when the country was known as Congo Leopoldville a relationship inextricably linked with the destiny of Congolese refugees who settled in Grand Rapids and other parts of the country its main focus is on the murder of Patrick Lyoya why he was killed what contributed to his murder and other factors about the tragedy The uncertainty of the trial date for this case influenced publication of the book Both sides the defence and the prosecution said they did not know when the trial would take place and implied it would be in 2023 and may be even in the last months of the year They said in November 2022 that it would be many months before the case goes to court a factor that played a major role in reaching the decision to have the book published before the trial It complements the author s forthcoming work *Shattered Dreams Race and Justice* **When the Killing Starts** Ted Wood,2014-04-01 This gripping crime thriller pits the most savvy cop currently in the genre and his police dog against a band of mercenaries Library Journal Reid Bennett police chief of tiny Murphy s Harbour in Canada is looking forward to a month s vacation He plans to spend time with his girlfriend Freda and he might even get to go fishing

with his dog Sam But then Norma Michaels the wife of a rich businessman turns up with a 25 000 offer Find her twenty year old son Jason He has run off with some mercenaries to train for overseas service and she is afraid she has lost him forever Even though he is of age she wants him found and she will pay handsomely The mercenaries call themselves Freedom for Hire and their leader is a cashiered sergeant from the British paratroopers who now styles himself Colonel George Dunphy He was court martialled for brutality forced out of the service and stands ready to brutalize a bunch of young men while stealing their pay Since people like Dunphy annoy Reid he decides to take the job despite the minor risk of a few ex SAS men with automatic weapons but he is more worried that the boy will not want to come home when he is found There are lots of questions to be answered when he and his German shepherd head north on the hunt for a few good or maybe bad men
