Debates of the Transkei Legislative Assembly Transkei (South Africa). Legislative Assembly, 1976-03 *Shadow Libraries* Joe Karaganis, 2018-05-04 How students get the materials they need as opportunities for higher education expand but funding shrinks From the top down *Shadow Libraries* explores the institutions that shape the provision of educational materials from the formal sector of universities and publishers to the broadly informal ones organized by faculty copy shops student unions and students themselves It looks at the history of policy battles over access to education in the post World War II era and at the narrower versions that have played out in relation to research and textbooks from library policies to book subsidies to more recently the several open publication models that have emerged in the higher education sector From the bottom up *Shadow Libraries* explores how simply students get the materials they need It maps the ubiquitous practice of photocopying and what are in many cases the more marginal ones of buying books visiting libraries and downloading from unauthorized sources It looks at the informal networks that emerge in many contexts to share materials from face to face student networks to Facebook groups and at the processes that lead to the consolidation of some of those efforts into more organized archives that circulate offline and sometimes online the shadow libraries of the title If Alexandra Elbakyan's Sci Hub is the largest of these efforts to date the more characteristic part of her story is the prologue the personal struggle to participate in global scientific and educational communities and the recourse to a wide array of ad hoc strategies and networks when formal authorized means are lacking If Elbakyan's story has struck a chord it is in part because it brings this contradiction in the academic project into sharp relief universalist in principle and unequal in practice *Shadow Libraries* is a study of that tension in the digital era Contributors Bal zs Bod Laura Czerniewicz Mirosław Filiciak Mariana Fossatti Jorge Gemetto Eve Gray Evelin Heidel Joe Karaganis Lawrence Liang Pedro Mizukami Jhessica Reia Alek Tarkowski **Inside African Anthropology** Andrew Bank, Leslie J. Bank, 2013-04-08 *Inside African Anthropology* offers an incisive biography of the life and work of South Africa's foremost social anthropologist Monica Hunter Wilson By exploring her main fieldwork and intellectual projects in southern Africa between the 1920s and 1960s the book offers insights into her personal and intellectual life Beginning with her origins in the remote Eastern Cape the authors follow Wilson to the University of Cambridge and back into the field among the Mpondo of South Africa where her studies resulted in her 1936 book *Reaction to Conquest* Her fieldwork focus then shifted to Tanzania where she teamed up with her husband Godfrey Wilson In the 1960s Wilson embarked on a new urban ethnography with a young South African anthropologist Archie Mafeje one of the many black scholars she trained This study also provides a meticulously researched exploration of the indispensable contributions of African research assistants to the production of this famous woman scholar's cultural knowledge about mid twentieth century Africa **The Story of an African Game** André Odendaal, 2003 *THE STORY OF AN AFRICAN GAME* is a ground breaking book the first to cover in detail the history and experiences of black African cricketers in South Africa It is

long overdue coming 195 years after the first recorded game of cricket in this country was played at the Green Point Common Cape Town in 1808 This is a book that will forever change the way we look at South Africa s cricket history and help us understand where the game is heading in the future **Year of Fire, Year of Ash** Baruch Hirson,2016-06-15 We can say without fear of being contradicted by history that June 16 1976 heralded the beginning of the end of the centuries old white rule in this country Nelson Mandela Originally banned on publication by the apartheid government Year of Fire Year of Ash is an eye opening account of how in June 1976 20 000 school students faced down the tanks and guns of a vicious racist regime in a revolt that galvanized the black working class and became a pivotal turning point for the anti apartheid movement More than this the book overturns much of the conventional logic that served to explain the event at the time showing it was not simply a student protest but part of a wider uprising Released in this new edition to mark the fortieth anniversary Year of Fire Year of Ash provides an unparalleled insight into the origins and events of the uprising from its antecedents in the 1920s to its role in inspiring global solidarity against apartheid As South Africa experiences a new wave of popular discontent and as new forms of black consciousness come to the fore in movements around the world Baruch Hirson s book provides a timely reminder of the Soweto revolt s continued significance to struggles against oppression today **Can Themba** Sipiwo Mahala,2022-03-30 Mahala s biography gives insight into the life and writing of Can Themba 1924 1967 an iconic figure of the South African literary world and Drum journalist who died in exile Can Themba The Intellectual Tsotsi a Biography brings to life the iconic South African writer and journalist Can Themba 21 June 1924 8 September 1967 who died while exiled in Swaziland in 1967 Best known for his classic short story The Suit Themba has been somewhat of an enigma with very little known about his personal life This biography brings forth the voices of those who had personal interactions with him shining the light on different aspects of his life including education literature journalism and political fraternities It features interviews with prominent individuals including his former students Abdul Bham Pitika Ntuli and Mbulelo Mzamane journalistic mentees Jubu Mayet and Joe Thloloe as well as friends colleagues and contemporaries Parks Mangena Peter Magubane Jurgen Schadeberg Don Mattera and Nadine Gordimer in addition to artists and academics Mothobi Mutloatse Muxe Nkondo and Njabulo S Ndebele Also featured in this biographical text are veteran political figures such as Mangosuthu Buthelezi Lindiwe Mabuza and Ahmed Kathrada Themba s intellectual acumen scholarly aptitude and witticism are some of his most revered characteristics amongst those who had interactions with him either in person or through comprehensive reading of his works Mahala is a master storyteller and deftly weaves together the threads of Themba s dynamic life In this edifying biography Mahala recreates the sparkle and pathos of Sophiatown of the 1950s and the Drum era Can Themba s successes and failures as well as his triumphs and tribulations reverberate on the pages of this long awaited biography
