Guy Prentiss Waters, 2022-09-27 A Short Study of the Sabbath from Creation to Consummation When it comes to the Sabbath Christians have different ideas on what it means and how to observe it For many people it is a day to go to church and have fellowship with other believers What they often miss though is that the Sabbath is intricately tied to rest and worship both of which ultimately point to the Lord as our creator and redeemer In this addition to the Short Studies in Biblical Theology series Guy Prentiss Waters offers an introductory study of the Sabbath from the creation of the world to the consummation of all things when Jesus returns He shows how the Sabbath is observed through the major themes and genres of the Bible creation law prophets Jesus and the apostles and how that applies to our lives today Waters teaches us about the Sabbath s full restoration in the new heavens and the new earth and its continual reminder of the covenant that God has made with his people Written for New Believers and Seasoned Saints Alike Perfect for laypersons pastors college and seminary students and academics Practical Examines how the Sabbath is relevant to the church now as well as how it will be restored in the new heavens and the new earth Short Studies in Biblical Theology Part of a series designed to give readers accessible volumes on God s word

**Resting in His Redemption** James Gills, 2011 The Scriptures teach clearly that God desires to live in intimate fellowship and communion with mankind He wants us to enjoy His love peace joy and companionship and to rest in His redemption experiencing the perfect harmony and contentment and fulfillment of purpose for which He created us God s original purpose for creating mankind was simply for us to enjoy relationship with Him the kind of fellowship that the first couple Adam and Eve enjoyed in the Garden of Eden when God walked with them in the cool of the evening Gen 3 8 Then sin entered the human experience and separated all mankind from that divine fellowship But when we place our faith in Christ s sacrifice for our sin we are redeemed by the blood of Christ and justified in the sight of God But that is not the end of the matter it is only the beginning God s intention is that we be completely restored spirit soul and body to the divine rest found in His redemption He wants us to experience that mystery of intimate communion with our Creator Redeemer In this book we will discuss four important aspects of fulfilling the deepest desire of the human heart to know God personally and intimately in the way God s great loving heart intended To know the love of God that brings true heart contentment we need to walk in the understanding of these divine principles The biblical basis for all prayer is resting in His redemption The biblical basis for all Christian living is resting in His redemption The biblical basis for total forgiveness is resting in His redemption The biblical basis for divine contentment is resting in His redemption Your life can be transformed when you allow Him to make them a reality to your heart The love of God can fill your heart and make you a victorious lover of the Christ You will be ruined for any lesser temporal pleasure or love once you taste more deeply the wonders of resting in His redemption J.
