The Koran: ... Translated Into English ... By G. Sale. Fifth Edition, with a Memoir of the Translator by R. A. Davenport , and with Various Readings and Illustrative Notes from Savary's Version of the Koran ,1876

From the Edge Allison E. Fagan, 2016-07-14 Chicana o literature frequently depicts characters who exist in a vulnerable liminal space living on the border between Mexican and American identities and sometimes pushed to the edge by authorities who seek to restrict their freedom As this groundbreaking new study reveals the books themselves have occupied similarly precarious positions as Chicana o literature has struggled for economic viability and visibility on the margins of the American publishing industry while Chicana o writers have grappled with editorial practices that compromise their creative autonomy From the Edge reveals the tangled textual histories behind some of the most cherished works in the Chicana o literary canon tracing the negotiations between authors editors and publishers that determined how these books appeared in print Allison Fagan demonstrates how the texts surrounding the authors words from editorial prefaces to Spanish language glossaries from cover illustrations to reviewers blurbs have crucially shaped the reception of Chicana o literature To gain an even richer perspective on the politics of print she ultimately explores one more border space studying the marks and remarks that readers have left in the margins of these books From the Edge vividly demonstrates that to comprehend fully the roles that ethnicity language class and gender play within Chicana o literature we must understand the material conditions that governed the production publication and

reception of these works By teaching us how to read the borders of the text it demonstrates how we might perceive and preserve the faint traces of those on the margins **Medical Surgical Nursing- I (English Edition)** Dr. Arun Kumar V.N., Mrs. Reeta Lenka,2021-01-01 Thakur Publication presents the Medical Surgical Nursing I book specifically tailored for GNM 2nd Year students prefer studying in English Language This comprehensive textbook is meticulously crafted to cover the entire syllabus of Medical Surgical Nursing I PRACTICAL APPROACH STUDENT FRIENDLY AS PER INC SYLLABUS BESTSELLING BOOKS With its precise content and student friendly language it serves as an indispensable resource for GNM students Embrace this book to gain a comprehensive understanding of the subject and excel in your academic journey

The Messianic Aleph Tav Scriptures Modern-Hebrew Large Print Edition Study Bible, 2014-05-20

The Messianic Aleph Tav Scriptures MATS is a study bible which focuses on the study of the Aleph Tav character symbol used throughout the old testament Tanakh by both Moses and the Prophets and is the most exhaustive and unique rendition of its kind in the world. Over 5 years in the making, this English rendition reveals every place the Hebrew Aleph Tav symbol was used as a free-standing character symbol believed to express the strength of the covenant in its original meaning. The Aleph Tav was believed also to be the mark of the divine hand for thousands of years by such famous rabbis as Nahum of Gimzo, Akiva, and R. S. Hirsch as well as the Apostle John. Also revealed in MATS is the use of the Aleph Tav as it is incorporated into the creation of hundreds of Hebrew words used thousands of times throughout the Tanakh and how the mark incorporates Yeshua haMashiach, Jesus the messiah, as well as all mankind and creation which substantiates and expresses its divinity, thus taking our understanding of the scriptures to a whole new level. MATS comes in your choice of either Paleo or Modern Hebrew editions in a trim size of the regular 6x9 or the large print edition 8.5x11.
