Rising Powers and State Transformation Shahar Hameiri, Lee Jones, John Heathershaw, 2020-07-10 Rising Powers and State Transformation advances the concept of state transformation as a useful lens through which to examine rising power states foreign policymaking and implementation with chapters dedicated to China Russia India Brazil Indonesia and Saudi Arabia The volume breaks with the prevalent tendency in International Relations IR scholarship to treat rising powers as unitary actors in international politics Although a neat demarcation of the domestic and international domains on which the notion of unitary agency is premised has always been a myth these states uneven integration into the global political economy has eroded this perspective's empirical purchase considerably Instead this volume employs the concept of state transformation as a lens through which to examine rising power states foreign policymaking and implementation State transformation refers to the pluralisation of cross border state agency via contested and uneven processes of fragmentation decentralisation and internationalisation of state apparatuses The volume demonstrates the significance of state transformation processes for explaining some of these states key foreign policy agendas and outlines the implications for the wider field in IR With chapters dedicated to all of today's most important rising power states Rising Powers and State Transformation will be of great interest to scholars of IR international politics and foreign policy The chapters were originally published as a special issue of Third World Quarterly Willing's Press Guide and Advertisers' Directory and Handbook ,1997

India's Pakistan Policy Stuti Bhatnagar, 2020-08-09 This book critically examines the role of think tanks as foreign policy actors It looks at the origins and development of foreign policy think tanks in India and their changing relevance and position as agents within the policy making process The book uses a comparative framework and explores the research discourse of prominent Indian think tanks particularly on the India Pakistan dispute and offers unique insights and perspectives on their research design and methodology It draws attention to the policy discourse of think tanks during the Composite Dialogue peace process between India and Pakistan and the subsequent support from the government which further expanded their role One of the first books to offer empirical analyses into the role of these organisations in India this book highlights the relevance of and the crucial role that these institutions have played as non state policy actors Insightful

and topical this book will be of interest to researchers focused on international relations foreign policy analysis and South Asian politics It would also be a good resource for students interested in a theoretical understanding of foreign policy institutions in general and Indian foreign policy in particular
