Emotional Banking Duena Blomstrom, 2018-03-16 Banking is under threat Despite access to fast paced technology known as FinTech an antiquated business model and internal organizational paralysis do not allow for the creation of a truly beloved brand and are stifling change To survive and thrive when their competition is catching up banks must understand the principles behind Emotional Banking a cultural

change concept that brings the consumer to the center of rethinking banking products and delivery This book starts with a history of the space then moves into an overview of what FinTech is After discussing the state of banking today including stories from the biggest names in the industry the concept of Emotional Banking and Brand are introduced as an answer to the problems outlined above It concludes with examples of best practices and a hands on approach on how to change the inertia become a brand and make customers fall in love with their bank Some of the questions this book tackles include Why don t banks care How many banks will survive What is FinTech and why does it matter Can Banks become beloved brands and find their way to the consumer s heart Why is there a disconnect between what we say and what we do in the industry Is inertia in banking a result of broken internal culture Which big brand or challenger will be at the top in 5 years The Financial Times Guide to Banking Glen Arnold,2014-02-19 The Financial Times Guide to Banking is a comprehensive introduction to how banks and banking works Best selling author Glen Arnold provides you with a foundation for understanding the wide variety of activities undertaken by banks He shows you why these global institutions are so important to consumers and finance professionals alike and explains how their activities impact on everyday life The Financial Times Guide to Banking will give you A thorough understanding of all types of banking from retail through to asset management and investment banking An overview of global banking including the worldwide evolution of the sector the influence of cross border money flows and the importance of modern banking to international development Expert knowledge about instruments and markets including debt markets futures markets and swaps and options Insight into the crucial importance of central banking and government regulation Answers to the big questions about monetary policy and interest rates payment systems and banking success Pearson Ed *Why Can't Banks Be As Easy As Uber?* Jay Sidhu,2016-06-09 What is disruptive innovation Think Uber transforming the taxi industry Airbnb challenging the hospitality industry And now the banking industry is going to be hit with the same force Bring in BankMobile ready to stand up to the big banks and fight for the customer BankMobile s new book *Why Can t Banks Be as Easy as Uber BankMobile And The Real Future Of Banking* offers a window into the future of banking along with safe money saving alternatives on how we can bank today effortlessly with banking capabilities at your fingertips The Sidhus cofounded BankMobile America s first truly fee free bank with the aim of serving Millennials working class individuals poorly served by traditional banks and anyone who wants to break free of the high fees and poor service for which big banks are notorious The book describes the genesis of BankMobile and shows how readers can become debt free quickly and painlessly The authors offer tips on how to save money pay off debt and show the reader how banking can be a positive experience for the customer rather than a frustrating one which they are used to having with a traditional bank The significance of the title lies in the surprising and disruptive manner in which Uber entered the marketplace Taxicabs are expensive as everyone knows They are often dirty and seldom available when you really need them But Uber changed the way people looked at car transportation making it simultaneously easier and cheaper Just as

Uber changed the way we look at the taxicab industry BankMobile is the future of banking changing the way we look at banking How is it able to do this Partly by dispensing with the vast networks of branches maintained by the big banks Those branches are expensive the salaries of tellers security guards and cleaning staff need to be paid among other expenses and guess who they pass that cost on to You But that isn't the only way the big banks take advantage of their customers ATM fees overdraft fees they seem to have an endless list of ways to take advantage of you and separate you from your hard earned cash one nickel and one dime at a time The inspiration for BankMobile came a few years ago when Luvleen Sidhu walked into a bank branch to open a checking account She was astounded to find that this process took her twenty five minutes She couldn't understand why this was so difficult just the day before she had used Orbitz to book a ticket to Australia and that had taken less than five minutes Luvleen was shocked that this bank was so out of touch with the technology she and her friends took for granted Worse the staff was completely unhelpful offering Luvleen no personal attention whatsoever Jay and Luvleen decided that this was an unacceptable state of affairs In an age in which we can see almost any movie the moment we want to see it rather than trekking down to the video rental store an age in which we can book airline travel and hotel stays right from our phones why should banking be as difficult and inconvenient as it is To a generation used to doing everything on their smartphones quickly easily and without fees BankMobile has already shown that its approach is the future of banking BankMobile offers its customers ways to save money manage money pay off debt and much more Why Can't Banks Be as Easy as Uber BankMobile And The Real Future Of Banking will open your eyes to how costly your bank is but more importantly the solution fee free effortless financially empowering banking at your fingertips 100% of the book proceeds support the BankMobile Foundation helping entrepreneurs and students promote financial literacy in their communities
