The Autobiography Of Buster Keaton:

My Wonderful World Of Slapstick Buster Keaton, Charles Samuels, 2015-11-06 Over half century ago the society for the Prevention of Cruelty to Children complained to Mayor Van Wyck of New York that Joe Keaton a vaudeville actor was brutally mistreating his five year old son At each afternoon and evening performance the child billed as The Human Mop was slammed on the floor hurled into the wings and sometimes banged into bass drums Unable to find a bruise or scratch on the lad Mayor Van Wyck refused to ban the act The Human Mop bounced on to worldwide fame as Buster Keaton one of this century s greatest comedians In this intimate autobiography Buster Keaton tells his whole personal and professional story beginning with his colourful and exciting childhood as the undentable tot in the Three Keatons whose proudest boast was having the rowdiest roughest act in vaudeville Buster has played with all the great ones from George M Cohen and Bojangles Robinson and Al Jolson to Jack Paar and Ed Sullivan and Red Skelton during his sixty years as a star in vaudeville silent and talking pictures night clubs and television Roscoe Fatty Arbuckle got him into the movies and taught him how to throw a custard pie Buster could not even keep slapstick out of his eleven months as a draftee in our World War I army He came out to help create the Golden Age of Comedy with his friends Charlie Chaplin Harold Lloyd Arbuckle Mack Sennett and the Keystone Cops Marital troubles and alcoholism once got Buster down but could not keep him down MY WONDERFUL WORLD OF SLAPSTICK was written with the collaboration of Charles Samuels co author of His Eye Is On the Sparrow Ethel Waters best selling autobiography Buster Keaton s Life Story will enchant and thrill all those who enjoy looking past the glitter and the grease paint into a magnificent performer s mind and heart The Autobiography of Buster Keaton Alan Ramón Clinton, 2014 Fiction Film Studies A somewhat deranged cultural studies professor having been informed by a reliable source his girlfriend of the time that he reminds her of the legendary silent film star Buster Keaton inexplicably dumps her and strikes out on his own to seek out the nature of this resemblance A truly slapstick adventure ensues in which our good professor travels from the Boston area back home to Tennessee flees the police to parts unknown encounters psychopathic roommates heroin punks the sadomasochistic underground hermaphrodite butlers curmudgeonly cave dwellers tarot card casino dealers vaudeville cults guru junkies and more all of whom in the spirit of Keaton s films he falls in love with one by one When our hero steals a hot air balloon in order to make it to California will he finally discover the secret of Keaton s apocryphal machine the love catapult **Buster Keaton: Cut to the Chase** Marion Meade, 2014-04-01 An American icon Joseph Frank Buster Keaton is easily acknowledged as one of the greatest filmmakers in early cinema and beyond His elaborate slapstick made audiences scream with laughter But his stone face hid an internal turmoil In BUSTER KEATON CUT TO THE CHASE biographer Marion Meade seamlessly lays out the life and works of this comedy genius who lacked any formal education Buster made his name as a child of vaudeville thrown around the stage by his father in a cartoon pantomime of very real abuse The lessons he carried forward from that experience translated into some of the greatest silent

films of all time Keaton wrote directed performed and edited dozens of features and shorts including his masterpiece *The General* However those early scars also led to decades of drinking and mistreatment of women Keaton saw huge successes Hollywood sex scandals years of neglect from studios and audiences and finally a shaky resurrection that assured his place in Hollywood's film canon Meticulously researched this book brings together four years of research and hundreds of interviews to paint a nuanced portrait of a compelling artist No comedy fan or film buff should miss this insider story of the man behind the stone face *Autobiography of Buster Keaton: Talk about His First Experiences* Lashunda Cruzan, 2021-05-29 Buster Keaton used to be an icon for the silent clown industry And here is all about this icon's life career and his first experiences in the industry Although Buster Keaton is now widely recognized as being second only to the great cinematic comedy innovator Charlie Chaplin in the pantheon of silent clowns it wasn't always thus What are today regarded as his finest films were often not financial successes at the time and that lack of box office clout had a marked effect on Keaton's later career Unlike Chaplin who quickly came to control his own work and the third great silent clown Harold Lloyd who skillfully managed his transition from huge silent success to sound films and then to a successful retirement Keaton never quite made the critical grade until towards the end of his life This full biography recounts Buster Keaton's life and career from his earliest days in turn of the Century vaudeville to his first experiences making movies with Roscoe Arbuckle to his great shorts of the 1920s his silent features his troubles at MGM and his marriages and health troubles to his late career renaissance in film and on television and the collective rediscovery of his silent heritage *Buster Keaton* Joanna Rapf, Gary L. Green, 1995 The world weary cynicism the acceptance of chaos and the inevitability of the fading of romance that seem to characterize a post holocaust generation make Keaton a favorite with today's audiences they prefer his detached cool to Chaplin's often impassioned sentimentality and spirited commitment There is no question that Keaton was an innovative filmmaker with an instinctive awareness of the unique possibilities of the camera and that he anticipated the cinematic strides of such later masters as Renoir Welles Antonioni and Kubrick Neither his content nor his structure seems dated We can learn much from him about the folly of pride about the importance of persevering and about the fact that the value of a human life is not measured by money but by work Experts students and enthusiasts will find great value in this book **Buster Keaton** Marion Meade, 1997-08-22 Buster Keaton 1895-1966 was a brilliant comedian and filmmaker who conceived wrote directed acted and even edited most of his ten feature films and nineteen short comedies which are perhaps the finest silent pictures ever made With a face of stone and a mind that engineered breathtakingly intricate moments of slapstick Keaton has become an icon of the American cinema Marion Meade's definitive biography explores his often brutal childhood acting experiences the making of his masterpieces his shame at his own lack of education his life threatening alcoholism and his turbulent marriages Based on four years of research and more than 200 interviews with notables such as Billy Wilder Leni Riefenstahl Gene Kelly Douglas Fairbanks Jr Irene Mayer Selznik as well as members of Keaton's family who had previously refused to

discuss him Buster Keaton Cut to the Chase is a startling and moving account of the troubled life of a cinematic genius

Buster Keaton Marion Meade,1998-01-01 *The Autobiography of Light* George Grammatikakis,2024-08-01 This book brings to life one of the most fundamental entities in the universe the electromagnetic waves that we perceive as light With his gift for narrative the author explains the nature of light and the long history of its influence on human ideas technology and culture From early efforts to understand vision and colours through relativity and quantum theory visual art and laser technology to the birth of stars and attempts to photograph their end readers will come to appreciate the central role of light not only in human history but also in the history of the cosmos This grand tour ends in a flourish with an epilogue written in the first person by the protagonist itself a true Autobiography of Light All chapters in the book are relatively self contained allowing readers to dip freely in and out What makes this captivating story so original is the effort made to point out the affinity between the study of light and achievements in the realm of culture
