The Vodka-Cola Cowboy: Trucking Russia 1990 - 1995 Mick Twemlow,2020-05-01 The Vodka Cola Cowboy describes life trucking in what is possibly the harshest environment in the world Russia Between 1990 and 1995 British owner driver Mick Twemlow worked to transport goods to from and within Russia and the wider Soviet Union Living in Moscow with his future wife Elena and their daughter Margarita who was born there in 1992 Mick learned the language and fully immersed himself in Russian society giving him an insider s view of this time of massive upheaval in the Soviet Union The book vividly illustrates the conditions that British truck drivers encountered such as the atrocious winter weather in a wild and unforgiving landscape police harassment and the dangers that came with the dissolution of the USSR Mick was the only British truck driver in Moscow throughout the whole of the anti Gorbachev coup of 1991 and so the book offers a unique perspective of that historical event The incidents described in the book range from the humorous to the serious to the potentially life threatening This book will primarily be of interest to truck drivers and those with an interest in road transport and the haulage industry in general Russia is still an unknown quantity all around the globe with regards to people s understanding of it and its people and so The Vodka Cola Cowboy will also be of interest to anyone who has a

fascination with the country particularly during this tumultuous time in the region's socio-political history **Keep on Truckin': 40 Years on the Road** Mick Rennison, 2016-03-16 Did the Good Old Days ever really exist Mick Rennison is not so sure After miraculously passing his test in an Atkinson Borderer way back in 1974 Mick drove in the days when crooks and con men seemed to run the haulage industry And Mick worked for most of them Earning crap wages from arrogant bosses with the constant threat of your P45 hanging over your head he learned his trade through trial and error many trials and lots of errors His career took him all over Europe and Scandinavia taking musical shows to Norway JCBs to Greece and supermarket deliveries down to Gibraltar Driving for a variety of firms he double manned trucks with his wife Jo for nearly 10 years Along the way he has been blown over in high winds outwitted hijackers and held hostage by striking Spanish drivers Now living on a narrow boat on the Grand Union Canal Mick is approaching retirement and reflects on his varied career With humour and not a little sarcasm he concludes that as good as those days were he certainly wouldn't want to go back
