How to Catch a Sinful Marquess Amy Rose Bennett, 2020-08-25 A reserved debutante and a former soldier make an unlikely but fated match as they hasten for the Isle of Skye. Orphaned heiress Olivia de Vere should have the world or at least the men of the ton at her feet. But when she's thrown out of a young ladies academy, Olivia doubts she'll ever find someone who will love her rather than her bank account. To make matters worse, her dissolute cousin Felix is determined to marry her against her wishes. A virtual prisoner in her guardians' London townhouse, Olivia can't help but develop a tendre for her neighbor, a handsome Scottish marquess. Battle-scarred in more ways than one, Hamish MacQueen, Lord Sleat, has braved many dangers in life. But nothing has quite prepared him for the shock of having a young child dumped on his doorstep with a note claiming she's his daughter. Just in the nick of time, his pretty neighbor appears, offering to act as a nursemaid for the young girl on their journey to his estate in Scotland. He suspects she has her own reasons for wanting to flee the country. The close traveling quarters leads to a fierce attraction between Olivia and Hamish that seems impossible to resist. But when ghosts from the past and monsters from the present threaten to tear them apart, will their unlikely love survive?

To Catch the Setting Sun Richard I. Levine, 2022-08-22 There's a killer loose on the island of Oahu. His targets: Young native Hawaiian women. But it also appears that he's targeting and taunting Honolulu police detective Henry Benjamin, who knew each victim and whose wife Maya had been the first name on that list. In addition to battling his personal demons, this New York transplant's aggressive style didn't sit well with his laid-back colleagues who viewed Henry's uncharacteristic lack of progress in the investigation as evidence that fueled ongoing rumors that he could be the killer. Was he or could it have been someone within the municipal hierarchy with a vendetta? As it was, after thirteen years on the job, Henry had been disillusioned with paradise. His career choice long killed any fantasy of living in a grass hut on a wind-swept beach, being serenaded by the lazy sounds of the ocean and a slack key guitar. Instead, it had opened his eyes to a Hawaii that tourists will never see.

Become: To Catch the Lightning Meredith Mansfield, 2020-06-16 He could become a god. He could just burn to death. Son of a mortal king and the earth goddess Gaia, he has known since he was ten that it was possible for him to become a god too. The catch is that he'll have to die by burning first. He's not quite ready to try that yet, especially since fire is the one thing he's afraid of. He was raised to be a warrior. His father wants him to be the next king, if only to keep him from thinking about becoming. Neither feels right. There must be another purpose for his more-than-human strength. The goddess must have had a reason for giving him that gift. When he meets Mariel, Gaia is willing to put all thoughts of being a king, a warrior, or even becoming a god aside. Little does he suspect that family may be the one thing worth burning for. Inspired by the legend of Hercules, Noblebright Fantasy's Hercules goddess god warrior sword.
