97 instead of 36 97 LAST DAYS Do you want to know how the bread machine works Your Customers Will Never Stop To Use This Amazing Guide No matter where you are on your journey to make bread knowing how to make bread in a baker s shop is a bit different from merely following an everyday bread recipe Also called bread machine the bread maker is an electric countertop device explicitly designed to make bread and bake it Although some features of the bread machine vary most bread makers have similar functions If you are interested in buying a bread machine you need to know what you need to know before making a decision This machine is a compact electric oven that contains a single large tin of bread inside The tin

itself is a bit special it has an axle at the bottom connected to an electric motor underneath The recipe ingredients are added to the baking pan of the machine in the exact order indicated and in the chosen cycle The machine mixes and kneads the bread dough makes it rest and leavens for the first time then moves on to the second leavening and finishes by baking the bread in the machine The complete cycles can vary from two to three hours many machines have a countdown timer The dough setting machines allow you to remove the bread dough at the end of the shortest cycle first leavening where you can then shape it manually set the leavening and complete the bread baking process in the oven of your range A dough cycle is an essential feature if you prefer bread baked in the bread machine's oven rather than in the baker's oven This book includes tried and tested keto bread and other baked goods recipes to help promote weight loss increase energy and suppress your hunger Here you will find delicious ketogenic recipes which allow you to once again enjoy eating bread without all the carbohydrates This book covers The Bread Machines How is a bread maker made The Baking Process Why use a baker to make bread What to consider before buying Flours And Grains Wheat Flours How To Bake Quick Breads Tips For The Bread Making Machine Adapting a Manual Recipe For The Bread Machine 7 Common Bread Machine Errors Maintenance Troubleshooting Common Problems Solutions Bread Machine Tips For Great Success Recipes And much more And much more Having a bread machine in your kitchen makes life easy Whether you are a professional baker or a home cook this appliance will help you get the best bread texture and flavors with minimum effort Bread making is an art and it takes extra care and special technique to deal with a specific type of flour and bread machine that enables you to do so even when you are not a professional In this book we have discussed all bread machines and how we can put them to good use Basic information about flour and yeast is also discussed to give all the beginners an idea of how to deal with the major ingredients of bread and what variety to use to get a particular type of bread And finally some delicious bread recipes were shared so that you can try them at home Buy it NOW and let your customers get addicted to this amazing book **The Bread**
