The High Divide Lin Enger,2025-05-01 Lin Enger sets out from the conventions of the traditional Western and brings the reader into new emotional territory that of the soul of an exquisitely drawn American family The High Divide is a novel to get lost in James Scott author of The Kept In 1886 Gretta Pope wakes up one morning to discover that her husband is gone

Ulysses Pope has left his family behind on the far edge of Minnesota's western prairie with only the briefest of notes and no explanation for why he left or where he's heading. It doesn't take long for Gretta's young sons Eli and Danny to set off after him, leaving Gretta no choice but to search for the boys and their father in hopes of bringing them all home. Enger's breathtaking portrait of the vast plains landscape is matched by the rich expanse of his characters' emotional terrain as pivotal historical events—the bloody turmoil of expansionism, the near-total demise of the bison herds, and the subjugation of the Plains Indians—blend seamlessly with the intimate story of a family's sacrifice and devotion. A masterfully told Western reinvention of Homer's *Odyssey* set against a backdrop of beauty and danger. In its narrative simplicity and emotional directness, it is reminiscent of John Ford's classic *The Searchers*. Publishers Weekly starred review: Enger's novel is told in beautifully exact, liquid language that wastes no time; just as one cannot afford to waste time when making a journey such as the Pope family's. Highly recommended. Library Journal starred review: A deeply moving, gripping novel. Layered with meaning, this remarkable novel deserves to be read more than once. *The High Divide* proves Enger's chops as a masterful storyteller. Ann Weisgarber, author of *The Promise*: A gripping story with well-portrayed complex and sympathetic main characters and a complement of believable secondary figures in a vividly described region nearing the close of an era, Enger is an author worth watching. Booklist: *The High Divide*, a novel about a family in peril, is haunting and tense but leavened by considerable warmth and humanity. Enger writes with durable grace about a man's quest for redemption and the human capacity for forgiveness. Benjamin Percy, author of *Red Moon*.

The Happiest People in the World Brock Clarke, 2014-11-04. A dark and funny satire. Infidelities, secret identities, and double crosses. Reflects the absurdity of any country obsessed with spying on its own people. The Wall Street Journal: Take the format of a spy thriller, shape it around real-life incidents involving international terrorism, leaven it with dark, dry humor, toss in a love rectangle, give everybody a gun, and let everything play out in the outer reaches of upstate New York; there you have an idea of Brock Clarke's new novel. Filled with wonder and anger in almost equal parts, *The Happiest People in the World* is a ripped-from-the-headlines tale of paranoia and the all-American obsession with security and the conspiracies that threaten it. A literary first, a book that feels like the love child of Saul Bellow and Hogan's Heroes, full of authorial cartwheels of comedy and profundity. GQ: *The Happiest People in the World* begins with a raucous bar scene featuring party streamers, smoke, prone bodies, spilled fluids, and a stuffed moose with a surveillance camera in its left eye. Clarke has success in dreaming up oddball originals that have instant appeal. Janet Maslin, The New York Times: Clarke creates books that taste like delicious cuts of absurdity marbled with erudition. The Washington Post: A whiz-bang spy satire bundled in an edgy tale of redemption. His comedy of errors is impossible to put down. Publishers Weekly starred review: A darkly hilarious novel. The writing is clever, the dialogue snappy and understated, and the effect is as pleasantly unsettling as anything Kurt Vonnegut Jr. ever wrote. The Portland Sun: A zany and fast-paced book that explores the myriad ways people of all nations make themselves and others unhappy. Chicago Tribune: Printer's Row Ranks among the

funniest and most relevant social satires I've read It might just make you the happiest reader in the world *The Dallas Morning News* ***Guests on Earth*** Lee Smith, 2013-10-15 Reading Lee Smith ranks among the great pleasures of American fiction Gives evidence again of the grace and insight that distinguish her work Robert Stone author of *Death of the Black Haired Girl* It's 1936 when orphaned thirteen year old Evalina Toussaint is admitted to Highland Hospital a mental institution in Asheville North Carolina known for its innovative treatments for nervous disorders and addictions Taken under the wing of the hospital's most notable patient Zelda Fitzgerald Evalina witnesses cascading events that lead up to the tragic fire of 1948 that killed nine women in a locked ward Zelda among them Author Lee Smith has created through a seamless blending of fiction and fact a mesmerizing novel about a world apart in which art and madness are luminously intertwined ***The Road from Gap Creek*** Robert Morgan, 2014-03-25 One of America's most acclaimed writers returns to the land on which he has staked a literary claim to paint an indelible portrait of a family in a time of unprecedented change In a compelling weaving of fact and fiction Robert Morgan introduces a family's captivating story set during World War II and the Great Depression Driven by the uncertainties of the future the family struggles to define itself against the vivid Appalachian landscape *The Road from Gap Creek* explores modern American history through the lives of an ordinary family persevering through extraordinary times ***The Last September*** Nina de Gramont, 2016-07-05 If you liked *The Girl on the Train* read *The Last September* a literary whodunit set on Cape Cod weaving a murder mystery with the emotionally intense story of a fraying marriage *Newsday* Impossible to put down With an artist's eye and a poet's heart de Gramont realizes a world of love mystery and the shattering sorrow of mental illness deceit hope and lives cut short *Library Journal* starred review Brett has been in love with her husband Charlie from the day she laid eyes on him in college When he is found murdered Brett is devastated But if she is honest with herself their marriage had been hanging by a thread for quite some time All clues point to Charlie's mentally ill brother Eli but any number of people might have been driven to kill Charlie a handsome charismatic man who unwittingly damaged almost every life he touched Brett is determined to understand how such a tragedy could have happened and whether she was somehow complicit Set in the desolate autumn beauty of Cape Cod this riveting emotional puzzle explores the psyche of a woman facing down the meaning of love and loyalty *The Last September* is a wonderful glowing book populated by characters that become a part of your life long after the last page has been turned It is the type of novel writers admire and readers long for Jason Mott author of *The Returned* Brilliant rendering of love story and murder mystery I was hooked by the first paragraph which somehow contains all the beautiful luminous grief of the whole story and I truly did not want to let it go in the end Brad Watson author of *Aliens in the Prime of Their Lives* A moody murder mystery Boasts lovely understated writing sharply drawn settings and once again characters who are irresistibly attractive flawed and dangerous A fine literary whodunit from an accomplished storyteller *Kirkus Reviews* ***This Is Your Life, Harriet Chance!*** Jonathan Evison, 2016-05-31 Evison's writing crackles on the page With Bernard her husband of fifty five years now
