David Reagan,2022-04-22 Would you like to get a grasp on what the Bible says about the end times and where we currently fit into end time chronology Are you mystified by end time Bible prophecy Are you confused by all the various end time viewpoints Have you decided that end time prophecy is a subject appropriate only for seminary graduates This book will clear up end time confusion Come learn the difference between a Millennium and a Millipede with Dr David Reagan God's Antidote For Depression, Anxiety, or Fear: Learn How To Experience Peace and Joy During Adversity and Uncertain Times Debby Sibert,2020-07-22 Do you ever wonder Where is God when going through challenging times Does He seem distant or even non existent What is the biggest crisis you are experiencing right now We are currently living in extraordinary times causing much anxiety even for the strongest temperament There are many reasons individuals experience fear anxiety and even depression and our world seems to be growing more and more fearful every day If we ever lived in an uncertain time with an unclear future and reason to fear it is now If you are experiencing any form of anxiety fear depression uncertainty or dread please realize that you are not alone This is a normal phenomenon that everyone experiences to some extent at some point in their life Fear is a natural response for humans and has its place to help keep us safe However living in fear is counter productive and is not an option if we are going to get through any difficult circumstances We cannot allow ourselves to get stuck there and dwell on these negative issues Believe it or not there is a way to experience peace in the midst of all of this and that is what I will be unpacking in this book We have many choices in life Every day we re making more choices than we

realize Peace is another choice that we can make over fear and anxiety It takes recognizing where our mind is going and living with the intention to make a U turn and choosing peace In this book I will be taking a hard look at fear anxiety and depression I define them discussing the symptoms and causes of each and how to overcome them One cannot read this book without being changed from the inside out if the shared truths are taken seriously acted upon and allowed to permeate and become a reality in the reader s heart and mind Unfortunately not knowing how to respond often causes one to react to their depression anxieties fears etc in ways that promote more of the same Some are plagued a lot more than others and some have learned to cope better than others but there is relief for all of us if we know where to look for it That is what I hope to accomplish through this short booklet It is a quick easy read and well worth your time I have learned the antidote to the fear and uncertainty that often leads to anxiety and depression I want more than anything to share it with you because I am confident you can find relief for your souls through the message I believe the Lord has given me to share with you

WHAT FILLS YOU, CONTROLS YOU Walter Masocha, 2014-06-06 There are so many things that control the character and behaviour of man In my view no one ever just does things without a controlling force behind Nothing just happens There is a force behind everything done or said by man under the sun That includes creatures too When someone bursts out or loses it explodes or suddenly just goes quiet moody or commits suicide what will have happened with various practical examples I apply Biblical passages to analyse the impact of such things as pregnancy alcohol and drugs bitterness and anger jealousy and hatred love charity evil spirits and the Holy Spirit I know there are a lot more substances and things that fill and control mankind I just picked a few to highlight the whole point of the book One by one consider the items in the above list again Read the book and you will know what you are full of If you don't like what you are full of try being born again Hey these things do not care whether someone is rich or poor educated or uneducated king prince ss or pauper male or female young or old black or white or whatever classification you may make They have no respect for such human forms of classification I call them levellers Once you allow them to take up space inside of you they immediately take over They are in charge They take control of the way you think the way you speak the way you act and the way you behave I admit there is fallacy in generalizations but in this book allow me to generalise Whether it's man or creature plant animal or bird _ I propose a ONE LINE answer to all these scenarios _ what fills you controls you
