Christian Stewardship in Light of Paul's Collection for the Poor Murray J. Harris, 2024-12-23 Permanently in debt but never bankrupt No this is not the motto of a creative investor but it is a picturesque description of every Christian Christians are all permanently indebted to the Creator and Redeemer because he has showered them with his gifts of physical and spiritual life yet they are never insolvent because as stewards of God's gifts of talents time and possessions they always have at their disposal ways of partially repaying their debt The apostle Paul affords Christians a spectacular example in using his God-given skills of leadership and motivational discourse to initiate and complete a relief project for needy fellow believers in the church of Jerusalem Nowhere else in his thirteen extant letters does he spend 39 consecutive verses speaking about one and the same topic as he does in chapters 8 and 9 of 2 Corinthians where he encourages his friends in Corinth to complete their collection for this admirable project In the course of his encouragement he highlights many commendable ways for Christian stewards to give to God and to others such as generously enthusiastically voluntarily creatively regularly and unobtrusively

Parry, 2005-03-15 The Book of Lights Unveiling the Mystery of God opens the portal to life's deepest and previously undisclosed spiritual secrets It challenges the mind to share in the knowledge that only mystics adepts and wise men have attained throughout the Ages This treasure trove of hidden knowledge takes the reader step by step into the World of the Infinite Although the Bible is utilized to provide a base for conveying this revelatory knowledge The Book of Lights Unveiling the Mystery of God is not secular Clerics of all persuasions will find its presentations invaluable in their ministries It is a work that personalizes the Bible's content and provides the reader with the Creator's eternal truths By spiritually joining the mind to the Word on Scripture's printed page the reader obtains the intangible understanding that the author desired to convey The Book of Lights Unveiling the Mystery of God is a work that opens the mind to those truths the reader has longed to understand and will forever cherish Bible study groups will find their understanding of Scripture's Word progressively enhanced when they correlate the translations offered herein with the words of Jesus Moses and all the prophets Those who quietly spend time reflecting upon the translations of this book will find a source of peace and spiritual inspiration unlike any they have ever known The Book of Lights is indeed the Book of Life and all who identify with its revelations shall find their name written therein Book jacket

Converting the Imagination Patrick R. Manning, 2020-05-15 For two thousand years countless people around the world viewed reality through a Christian lens that endowed their lives with meaning purpose and coherence Today in an era of unprecedented secularization many have ceased to find meaning not only in Christianity but in life in general In Converting the Imagination Patrick Manning

offers a probing analysis of this crisis of meaning marshalling historical and psychological research to shed light on the connections among the disintegration of the Christian worldview religious disaffiliation and a growing mental health epidemic As a response Manning presents an approach to religious education that is at once traditionally grounded in the model of Jesus own teaching and augmented by modern educational research and cognitive science Converting the Imagination is an invitation to transform the way we teach about faith and make sense of the world an invitation that echoes Jesus invitation to a fuller more meaningful life It is sure to captivate scholars and practitioners of religious education ministers seeking to reengage people who have drifted away from the faith or to support young people suffering from existential anxiety and anyone in search of deeper meaning in their religious traditions or in their own lives
