What Salvation Is:

Questions About Salvation S. Michael Houdmann, 2014-04-03 Salvation is the rich and rewarding theme of Scripture From beginning to end we see a God who seeks the lost in order to forgive their sins and restore their fellowship According to 1 Peter 1 10 Concerning this salvation the prophets who spoke of the grace that was to come to you searched intently and with the greatest care We should want to know more about it too There is nothing more important than our response to Gods grace Near the end of his life hymn writer John Newton said My memory is nearly gone but I remember two things that I am a great sinner and that Christ is a great Savior It is in fact vital to have a biblical understanding of salvation Questions such as Who can be saved What is the gospel and Why did Jesus have to die are of primary importance Fortunately the Bible answers these questions and many more This book takes one hundred questions about salvation and addresses them with Gods Own Word The Lord the Author of salvation came to seek and to save what was lost Luke 19 10 and He is the focal point of these answers

The Truth about Salvation April A. Tapanes, 2007-08 Where are you going to spend eternity Can you answer this question honestly without hesitation or are you unsure This Bible study The Truth About Salvation will help you know for sure if you have eternal security It will take you on a four week adventure that will help you see clearly where you stand with Christ and will address some controversial beliefs that cause confusion in today s church If you have ever questioned your salvation or don t understand what salvation is this is the book for you

What is Eternal Salvation? Joe Clemons, 2020-09-25 When someone talks about spiritual or biblical knowledge and understanding salvation that is eternal is the most important concept to know and understand I have read many books attended many Sunday school lessons and heard a lot of preachings teachings that talk about God s love grace faith and salvation The problem is that the vast majority of people that go to church every Sunday and most of the ministers in churches seem to not know or understand what salvation is and what it implies The primary goal of God and the Bible is for man to receive salvation which is eternal and free a gift to man by God s love grace and faith in His words that cannot lie Salvation is and should be the most important word in any language because there is no way to see or explain how God saved by grace through faith alone if salvation is not eternal My booklet What is Eternal Salvation A Big Lie or Simple Truth was written because of the problems I experienced and to help others have a clearer understanding of what salvation is and how and why it is true I have dedicated myself as the spiritual paralegal of my family friends and community Like I always say this could be the best and most important little book you have never read because until you understand salvation and that it is eternal the Good News of the Gospel will never make good sense For I am not ashamed of the gospel of Christ for it is the power of God unto salvation to every one that believeth Romans 1 16 Questions Does going to heaven depend on what you believe or how you behave What is salvation and what does it imply What does it mean to be saved Saved by grace To have salvation What is the biblical understanding of these words a Christian justification sanctification redemption reconciliation propitiation imputation glorification and

apostasy Do you know what all those words mean and imply When does a person get salvation eternal life etc Until you know the right answers the good News of the Gospel will never make good sense Remember that eternal life heaven and salvation is free is eternal and a gift If you can't answer those questions guess what you need to read this book because you have a low S I Q I will always try to bring a smile to a person's face because of the joy and love that comes from Jesus in my heart 2 Corinthians 4:3-6 Salvation is More Than Being Saved Jack Hyles, 2022-07-13 In Salvation Is More Than Being Saved Dr Jack Hyles takes the reader through the inner workings of salvation to help him realize that there is so much more to salvation than just being rescued from the depths of Hell If that is all salvation was it would be wonderful however God has taken the gift of salvation and packaged it with many other doctrines and has presented it freely to all mankind

Salvation 101 Christian Colossus, 2017-02-26 Do you understand the mysterious subject of Christian salvation Have you got any idea what salvation of the human soul is There is so much you need to know and understand about true salvation and why Jesus Christ is the only way to it Do you realize that without salvation through Christ your soul is destined for eternal damnation in hell and the lake of fire Salvation 101 will introduce you to the subject of salvation of the human soul It will also show you the true path to the real person called Jesus Christ who is God the son This book will open your eyes to the mysteries of Christian salvation and why the only way to achieve salvation is through Jesus Christ It will also explain why it's only through Jesus Christ that salvation is attainable The book will introduce you to the concepts of Christian Salvation and will try to unravel the mysteries behind them It will explain why so many professing Christians are not practicing true Christianity You will discover the correct ways to practice Christianity step by step according to the steps laid out in the bible I wrote this book because you and every other human being deserve to have the most important truth about humanity This book will give everyone a chance to see for themselves what's involved in true Christianity You will then be able to see why the salvation of your soul must occur now I wrote this book to do my part as a good Christian to inform you about ways to reject the eternal damnation of your soul and accept eternal salvation The timing of this book is extremely important as we are now at the end of the church age Any day now Jesus will appear in the skies to take his people the Christians up to heaven to be with him forever in eternity The information in this book will help you become one of those Christians whom Jesus will take to heaven This book introduces you to the mysteries of Christian salvation which is one of the least understood subjects known to mankind It presents an aerial view or what I call the big picture coalesced from Prophet Obadiah and the Gospels of Matthew and John The big picture together with the smaller pictures which comprise it explains the various parts of Christian salvation It begins by telling you why salvation is necessary and why Jesus must be the only way to achieve true salvation By taking the constituent parts of the big picture and unraveling them this book goes from analysis of the subject to discussion of the object of Christian salvation The book covers analysis of salvation deliverance holiness and possessions of Jacob It also covers the discussion of Jesus Christ his birth ministry death resurrection and ascension heaven and hell the

testaments and their relationship to the church This second edition contains new material that looks at the whole of life besides salvation The two new chapters look at the overview of life and then focusses on the subject of destiny which is our divine course purpose or mission

The Hope of Salvation Harding Hedgpeth, 2008-04 Today many churches teach that once a person believes and trusts in Jesus Christ their Salvation is assured They can know with certainty that they will go to heaven no matter what The churches further teach that the individual has no part to play in their salvation God does it all These teachings are not Biblical The Bible teaches that no person can know their ultimate destiny The best one can do is to live a life of demonstrated faith and hope they will make it to heaven Indeed a person does have a part to play in their destiny and by their choices they can stay on the pathway that leads to salvation or they can depart from it This book clarifies the Biblical path to Salvation articulates a Biblical argument that refutes the assurance of salvation doctrine and reveals the spiritual dangers that are produced by this teaching Harding Hedgpeth is a professional test pilot and the holder of 9 aviation world records set in the B 1 Bomber He has no formal theological training He does not belong to any formal church As he characterizes himself he is a disciple of Jesus Christ cleverly disguised as a test pilot Harding was raised as a Presbyterian married a Catholic and didn't realize that the Bible was God's truth until 1987 when he was 40 years old He has immersed himself in the study of God's Word ever since The study of God's Word led him to realize that today's churches are leading their parishioners astray in some important areas One of those areas is the doctrine of the assurance of salvation Accordingly Harding felt a strong compulsion to write this book Though a relatively short book it has taken four years to research and one year to write

What SALVATION Is Really All about a GOD-CENTERED VIEW of SALVATION Allen Steely, 2019-03-23 This book will tell you why our motivation for salvation is essential is all important to our receiving forgiveness for our sins Even though it is mankind that is being saved at a deeper level salvation is intrinsically about God receiving His benefits from our salvation God is primary man is secondary Therefore God receiving His benefits from our salvation is of primary importance is foundational and must occur before any of the benefits for mankind in our salvation even exist for us to receive Because justice is an intrinsic part of God's character we cannot selfishly seek salvation for the benefits we will experience such as to escape eternal punishment in Hell or to gain the pleasures of Heaven and be accepted by God and saved Selfishly seeking after salvation for our benefits is idolatry with self as the idol You cannot be committing the new sins of greed selfishness and idolatry in the very act of asking for forgiveness of your sins We must submit to God's preeminence His rightful lordship and come submissively to God with our motivation being for Him to receive His benefits and then and only then can He forgive our sins and bless us with the side benefits for us in salvation

A Cultural Theology of Salvation Clive Marsh, 2018-10-18 There aren't many serious works of systematic theology which engage with Breaking Bad The Big Bang Theory Crazy Heart theories of capital and positive psychology as well as the Isenheim Altarpiece and Handel's Messiah This lively contemporary study of salvation does precisely that Christian doctrine cannot simply repeat what has gone before even

as it recognises the value and richness of the traditions Christianity carries with it Clive Marsh acknowledges this in exploring how doctrine interweaves with life experience and cultural consumption A Cultural Theology of Salvation considers how salvation is to be understood and articulated now when the theme of redemption appears outside of Christianity in the arts and popular culture Marsh also assesses whether contemporary interest in happiness has anything to do with salvation The first part of the book sets the enquiry in the context of how theology operates as a discipline and the cultural climate in which theology has to be done The second part offers a number of case studies in art music TV film positive psychology and economic life exploring how the concerns of a doctrine of salvation are addressed directly and indirectly in Western culture The third part distils the results of the case studies in formulating a contemporary exposition of salvation and concludes by showing what this means in practice

Salvation Millard J. Erickson, 1978 It Was Orderly God doesn't work in a haphazard way as if responding in panic to some crisis we created It was Unique God's plan of salvation is not another self-help project but is the only one of its kind offering full pardon and regeneration because of what God Himself did for us It Was Simple Though planned by the incomprehensible God Creator of the vast universe anyone in childlike faith can respond to His way of salvation and receive full benefits In logical order the author traces in clear language the doctrine of salvation starting with conversion faith justification regeneration adoption sanctification security of the believer all the way to glorification Dr Erickson breaks open these difficult sounding words so that the rich meaning can pour out to enrich your life and make you rejoice in all God has done for you Publisher
