skill as an actress While cognizant of the many contradictions inhering in her films the book examines the liminality she represented in her comedies and musicals demonstrating how her characters desiring and intelligence supply the primary motors of the plots resist the films patriarchal template and complicate her asymmetrical casting opposite older male stars Moreover Hepburn s close relation with designer Hubert de Givenchy which established her identification with haute couture enabled her characters movement onscreen and was a basis for understanding transformation through fashion as an turning point event in the narrative which forged a pathway through spectacle for viewer identification with Hepburn s difference as symbolized by her unorthodox body which the clothes did not disguise but amplified On Audrey Hepburn finally examines her skilful performances in thrillers and dramas studying her expert timing and use of props her expressive face as it revealed interior emotions and thinking her interaction with other actors in an ensemble and the overall nuance with which she developed complex characterizations My Audrey Pamela Clarke Keogh,2007-11-01 *Audrey Hepburn* Tom
