Art as Performance, Story as Criticism Craig S. Womack,2014-10-20 Pick up a work of typical literary criticism and you know what to expect prose that is dry pedantic well meaning but tedious slow going and essentially humorless But why should that be so Why can t more literary criticism have a political edge and be engaging and fast paced Why can t it include drama personal narrative and even humor Why can t criticism become an artistic performance rather than just a discussion of art Art as Performance Story as Criticism is Craig Womack s answer to these questions Inventive and often outrageous the book turns traditional literary criticism on its head rejecting distanced purely theoretical argumentation for intimate engagement with literary works Focusing on Native American literature Womack mixes forms and styles He is unafraid to combine meticulous research and carefully considered historical perspectives with personal reactions and reflections The book opens with a short story The Song of Roe N ld in which a Native filmmaker loses control of his movie project in part because of his homoerotic attraction to its star The following chapters or mus e ings include original dramas while others more closely resemble traditional literary criticism such as essays discussing the lesser known plays of Lynn Riggs and the stories of Durango Mendoza Still other chapters defy easy categorization such as the piece Caught in the Current Clinging to a Twig in which Womack interweaves historical analysis of the state of the Creek Nation in 1908 with a vivid recreation of the last day on earth of Creek poet Alexander Posey Throughout the book the author offers his take on such controversial issues as the Cherokee freedmen issue and the ban on gay marriage In being different Womack seeks to breathe new life into literary analysis and introduce criticism to a wider audience Radical groundbreaking and refreshing Art as Performance Story as Criticism reinvents literary criticism for the twenty first century

The Dream of the Great American Novel

Lawrence Buell, 2014-02-10 The idea of the great American novel continues to thrive almost as vigorously as in its nineteenth century heyday defying 150 years of attempts to dismiss it as amateurish or obsolete In this landmark book the first in many years to take in the whole sweep of national fiction Lawrence Buell reanimates this supposedly antiquated idea demonstrating that its history is a key to the dynamics of national literature and national identity itself The dream of the G A N as Henry James nicknamed it crystallized soon after the Civil War In fresh in depth readings of selected contenders from the 1850s onward in conversation with hundreds of other novels Buell delineates four scripts for G A N candidates One illustrated by *The Scarlet Letter* is the adaptation of the novel's story line by later writers often in ways that are contrary to the original author's own design Other aspirants including *The Great Gatsby* and *Invisible Man* engage the American Dream of remarkable transformation from humble origins A third script seen in *Uncle Tom's Cabin* and *Beloved* is the family saga that grapples with racial and other social divisions Finally mega novels from *Moby Dick* to *Gravity's Rainbow* feature assemblages of characters who dramatize in microcosm the promise and pitfalls of democracy The canvas of the great American novel is in constant motion reflecting revolutions in fictional fashion the changing face of authorship and the inseparability of high culture from popular As Buell reveals the elusive G A N showcases the myth of the United States as a nation perpetually under construction

The Heart of My Reversing

Lili Tuwai, 2007 This

collection of poems and short stories in verse show Lili Tuwai as a serious writer and poet. She writes candidly about the wounds of child sexual abuse, domestic violence, infidelity, and betrayal. Her soulful verses also embrace and celebrate the joys of love, friendship, prayer, nature, and wishful thinking. We are also given insight into the chore of coping with agoraphobia. Through a mix of voices and topics that mingle, merge, and split, Tuwai takes us on a journey of what she calls a reVersing life. At times she skilfully demonstrates her wit and quirky sense of humour whilst tackling hard issues that have impacted her life as well as communities everywhere. Her myths effortlessly transport us to another place in time where Time and Meaning unite to create a sustainable Past, Present, and Future throughout the Pacific region. *Reading the Margins* Michael J Gilmour, 2024-09-24. The Bible and theology are contested spaces, battlegrounds where participants guard entrenched beliefs against perceived threats. But literature observes: novelist Salman Rushdie opens the universe. It expands what we perceive and understand and ultimately what we are. Writers make our world feel larger and more inclusive. When other forces push in the direction of narrowness, bigotry, tribalism, cultism, and war, fiction encourages understanding, sympathy, and identification with others. *Reading the Margins* invites readers to immerse themselves in imaginary worlds and to pursue visions of justice and compassion. Whether stories about poverty, empire, war, or the environment, the writers considered raise moral questions and often in the process even unwittingly deepen our understanding of biblical calls for kindness and mercy. *Reading the Margins* offers a kind of commentary on biblical ethics. Using Matthew's Beatitudes and the sheep and goats parable as an organizing principle, Gilmour argues there is much to learn about Jesus's peacemakers and call to feed the hungry from aspirational fiction and poetry.
