The Small Group Experience Steve Corbett, Brian Fikkert, 2014-01-24 When Helping Hurts is a paradigm forming contemporary classic on the subject of poverty alleviation and has over 300 000 copies in print Now there is a stand alone resource to introduce this paradigm in an accessible way Rather than simply looking at economics it looks at the poverty of relationships between man and God man and man and creation and man and self Utilizing free online video lessons set both in Africa and the United States the Small Group Experience is the ideal resource for small groups Sunday school classes parachurch and non profit ministries ministry training and even individuals In six lessons the concepts of When Helping Hurts are brought to the reader in a format that is perfect for training discussion and application It is an ideal introduction to life changing ideas and offers the perfect context for engagement The videos provide expert instruction and the Small group Experience provides questions and prompts for conversation deeper learning and taking action *Helping Without Hurting in Short-Term Missions Leader's Guide* Steve Corbett, Brian Fikkert, 2014-10-01 With over 300 000 copies in print When Helping Hurts is a paradigm forming contemporary classic on the subject of poverty alleviation This stand alone resource applies the principles of that book specifically to short term missions Helping Without Hurting Short Term Missions Leader's Guide is aimed at the preparation and debriefing of short term missionaries Accompanying Helping Without Hurting Short Term Missions Participants Guide it is an ideal resource for church leaders missions pastors and youth pastors who make short term missions planning decisions and desire to prevent inadvertent harm as they enter materially poor communities With direction for designing STMs well in light of the principles of When Helping Hurt practical examples from short term trips to illustrate those principles and suggested resources for further learning and implimentatin this guide is an all in one manual for leaders Plus it shows the content of the participant s guide with annotation and teaching notes to guide leaders as they facilitate sessions with participants **Summary of Steve Corbett & Brian Fikkert's When Helping Hurts** Everest Media, 2022-04-29T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The mission of Jesus was and is to preach the good news of the kingdom of God to say to one and all I am the King of kings and Lord of lords and I am using My power to fix everything that sin has ruined 2 The kingdom of heaven is at hand Jesus came to earth to save us from our sins so that we can go to heaven But his message is much more grand and sweeping than this He is the King who is bringing healing to the entire cosmos 3 The disciples asked Jesus if He was the Messiah and Jesus answered that He was He preached the good news of the kingdom and He showed the good news of the kingdom His deeds were essential to proving that He was the Messiah 4 Many Christians like the pastor of the church Charles grew up in believed that Christianity primarily consisted of keeping one s soul pure by avoiding alcohol drugs and sexual impurity There was little now of the kingdom for them apart from the saving of souls *Helping Without Hurting in Church Benevolence* Steve Corbett, Brian Fikkert, 2015-09-22 When a low income person asks your church for help what do you do next God is extraordinarily generous and our churches should be too Because poverty is complex however helping low income people

often requires going beyond meeting their material needs to holistically addressing the roots of their poverty But on a practical level how do you move forward in walking with someone who approaches your church for financial help From the authors of When Helping Hurts comes Helping Without Hurting in Church Benevolence a guidebook for church staff deacons or volunteers who work with low income people Short and to the point this tool provides foundational principles for poverty alleviation and then addresses practical matters like How to structure and focus your benevolence work How to respond to immediate needs while pursuing long term solutions How to mobilize your church to walk with low income people With practical stories forms and tools for churches to use Helping Without Hurting in Church Benevolence is an all in one guide for church leaders and laypeople who want to help the poor in ways that lead to lasting change [Quicklet on Brian Fikkert, Steve Corbett and John Perkins's When Helping Hurts: Alleviating Poverty Without Hurting the Poor...and Yourself](#) Anne Lund, 2012-07-30 ABOUT THE BOOK As we root around in our pockets or purses for change and crumpled dollars to buy a pack of gum a paper or cup of coffee it is hard to fathom that 3 billion of the world's population lives on less than 2 per day In the US poverty has also increased dramatically with the economic downturn with 1 in 7 Americans now on food stamps and nearly half live from paycheck to paycheck one financial disaster away from insolvency There is a growing rift between the comfortable and the struggling and extreme poverty in the US is increasing And there is no question that many are trying to address this issue Cornel West and Tavis Smiley have recently finished a national poverty tour the Occupy Wall Street movement has called attention to income disparity and the struggling the UN is working on it's End Poverty 2015 initiative and countless think tanks and organizations are concentrating on the issue with varying degrees of success EXCERPT FROM THE BOOK Soon however he heard the sound of voices raised in a familiar hymn and he was drawn into a humble open air church While there he listened to the parishioners pray directly to God for immediate needs cures for ailments help with hunger and shelter He realized that these people in their prayers had a deeper relationship with God than he did with all of his advantages The poor are also often caught in situations beyond their control War famine hopeless economic conditions and political oppression can trap them in situations The authors believe these feelings of hopelessness cannot be overcome without a strong spiritual base Chapter 3 Are We There Yet The chapter begins with the case of Alisa Collins a single mother with 5 children living in a Chicago housing project Alis felt trapped she wanted a job but she was a high school drop out When she did find a job her benefits were cut and she had to worry about the expenses of childcare She felt trapped and hopeless How can a Church help someone like Alisa Fikkert and Cobertt write that in order help a person like Alisa first fix relationships with God Poverty is rooted in broken relationships so the solution to poverty is rooted in the power of Jesus death and resurrection to put all things into right relationship again Buy the book to continue reading Follow hyperink on Twitter Visit us at www.facebook.com/hyperink Go to www.hyperink.com to join our newsletter and get awesome freebies CHAPTER OUTLINE Brian Fikkert Steve Corbett and John Perkins's When Helping Hurts Alleviating Poverty Without Hurting

the Poor and Yourself About the Book About the Authors Overview Appendix and much more **The Enabler: When Helping Hurts the Ones You Love** Angelyn Miller, 2016-11-29 Co dependency of which enabling is a major element can and does exist in families where there is no chemical dependency Angelyn Miller's own experience is a dramatic example neither she nor her husband drank yet her family was floundering in that same dynamic In spite of her best efforts to fix everything and everyone the turmoil continued until she discovered that helping wasn't helping Miller recounts how she learned to alter the way she responded to family crises and general neediness forever breaking the cycle of co dependency Offering insights practical techniques and hope she shows us how we can transform enabling relationships into healthy ones **When Helping Works** Michael Bamwesigye Badriaki, 2017-05-03 Today people from various parts of the world who are interested in helping fellow human beings impacted by famine epidemics wars and poverty are uniquely positioned They are interconnected due to globalization's impact which also has implications for intercultural work and global missions The ability to help people is a constructive asset which calls for the need to build friendships and partnerships across the globe Helping well depends on a number of factors yet this book looks into the impact of stereotype threat and its effects on intercultural identities the perceptions of others and performance in intercultural missions Human interactions continue to suffer due to fears anxious reactions about confirming negative stereotypes about a person's identity abilities and effectiveness in global missions Stereotype threat happens when caricatures and negative understandings about people's identities are invoked Sculptor Spirit Leopoldo A. Sánchez M., 2019-02-05 Like the work of an artist who molds a lump of clay the Spirit's sanctifying work lies in shaping people into the image of Christ Avoiding either a Spirit only or a Spirit void theology Leopoldo Sánchez carefully crafts a Spirit Christology which considers the role of God's Spirit in the life and mission of Jesus and leads to five distinct models of sanctification that can help Christians discern how the Spirit is at work in our lives *WHEN HELPING HURTS* ANDREW. D. WISE, 2022 **From Dependence to Dignity** Brian Fikkert, Russell Mask, 2015-05-12 The church of Jesus Christ finds itself at a very unique moment in history The average Christian living in the economically advanced countries enjoys a level of prosperity that has been unimaginable for most of human history At the same time over 2.5 billion people in the Majority World Africa Asia and Latin America live on less than 2 per day with many of these people being Christians Ironically it is amongst the least of these in the Global South that the global church is experiencing the most rapid growth All of this raises profound challenges to the global church How can churches and missionaries in the Majority World effectively address the devastating poverty both inside their congregations and just outside their doors How can churches in the economically advanced countries effectively partner with Global South churches in this process The very integrity of the global church's testimony is at stake for where God's people reside there should be no poverty Deuteronomy 15:4 Acts 4:34 For the past several decades microfinance MF and microenterprise development MED have been the leading approaches to poverty alleviation MF MED is a set of interventions that allow households to

better manage their finances and start small businesses From remote churches in rural Africa to the short term missions programs of mega churches in the United States churches and missionaries have taken the plunge into MF MED trying to emulate the apparent success of large scale relief and development organizations Unfortunately most churches and missionaries find this to be far more difficult than they had imagined Repayment rates on loans are low and churches typically end up with struggling programs that require ongoing financial subsidies Everybody gets hurt in the process donors relief and development agencies churches and missionaries and most importantly the poor people themselves This book explains the basic principles for successfully utilizing microfinance in ministry Drawing on best practice research and their own pioneering work with the Chalmers Center Brian Fikkert and Russell Mask chart a path for churches and missionaries to pursue a path that minimizes the risks of harm relies on local resources and enables missionaries and churches to minister in powerful ways to the spiritual and economic needs of some of the poorest people on the planet The insights of microfinance can play a tremendous role in helping to stabilize poor households removing them from the brink of disaster and enabling them to make the changes that are conducive to long term progress Moreover when combined with evangelism and discipleship a church centered microfinance program can be a powerful tool for holistic ministry one that is empowering for the poor and devoid of the dependencies plaguing most relationships between churches in economically advanced countries and churches in poor nations

Never Sleep Again! the Most Dangerous Facts about When Helping Hurts Austin Boeing, 2013-03 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot

original and musing book reviews of When Helping Hurts How to Alleviate Poverty Without Hurting the Poor and Yourself Don't say we didn't warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don't buy this book if 1 You don't have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You've heard it all **Are Orphan Care Ministries Really Helping?** Musa Okolo,2023-12-27 Sponsorship organisations sincerely set out to help orphans in Africa and other developing countries out of their misery and hopelessness by providing them with a family environment in which they can experience love and hope To accomplish this a sponsorship organisation often works with a like minded partner organisation that executes its vision and objectives Unfortunately this is usually plagued by many complex problems that if not resolved can become insurmountable In this book the author draws on his many years of experience in working for orphans in Africa to identify difficulties that seem to be inherent in such an endeavour He has determined that these problems stem from three specific areas the orphans themselves the partner organisation and the sponsor organisation Each of these has its own unique challenges and when these unique challenges interact they become so complicated that if their root causes are not isolated and resolved the ministry may eventually collapse The telltale signs of such an eventuality are perceptible but only to the discerning mind Musa Okolo identifies and offers practical solutions to these challenges which will enable orphan care ministries to understand and deal with the complex issues involved and hence achieve their objectives and fulfil their vision **Poor No More** James Conner,2024-05-17 Extreme poverty can be alleviated one village at a time The current practices of global aid agencies governments and NGOs all focus on the same failed strategy transfer payments The problem is that moving money without growing local economic systems for sustainability does not work People need jobs and businesses not handouts There is a better way In this book you will discover how these different systems can positively work together to bring about the long term locally sustainable results that we all desire This is transformational work and we will need to pause on the rhetoric biases and existing structural models to engage in a different way of doing things Donors communities in transition local leaders churches governments all are invited to revamp our thinking to actually achieve the results that form our common goal No one wants to be seen in a poverty state God doesn't create people to be poor and impoverished He does not God gives generously That is why every community around the globe already has vast untapped resources of human talent and vision a treasure trove of divinely bestowed potential awaiting harvest It's time to partner together for sustainable solutions to poverty **Christian Compassion** Monty L. Lynn,2021-06-17 Although not always unswervingly from antiquity until today Christians have engaged in charity As settings changed compassion evolved laying in place an ongoing mosaic of Christian ideas and institutions surrounding care From the antique and medieval to the modern and contemporary each age offers unique actors and insights into how compassion is viewed and achieved We consider repeating motifs and novel appearances in the arc of Christian compassion which enlighten and inspire Encountered on the

journey are the formation and sacrifice of ancient Christians an emphasis on virtues taught through sparing and sharing the nascent social welfare of the Byzantine church the sacralization and mobilization of a medieval church innovative ideas from reformers who advance the role of the state and modern movements in justice peace humanitarianism mutual aid and community development The Impact of Short-Term Missions on Long-Term Missional Development Brian Bain,2024-04-25 Lead short term mission trips STMs that catalyze trip participants into mission oriented disciple makers when they return home STMs can be mutually beneficial service opportunities that have positive long term impact on both trip participants and national hosts While this is possible it is not always the outcome of many STMs STMs often prioritize the short term experience of trip participants and miss the longer term discipleship opportunity they offer STMs can be a context of significant mutually beneficial work between both trip participants and national hosts This work can serve as a catalyst for meaningful long term growth for both parties but an appropriate philosophy and trip structure is needed This book studies and reveals best practices for both Stewards Not Owners Bill Wichterman,Dana Wichterman,2025-03-11 The book Stewards Not Owners goes beyond beyond the traditional Christian concept of tithing giving 10% of our income to encourage readers to consider a new paradigm that everything our time talents treasures relationships belong to the Lord but they are still ours for us to use with joy and creativity Stewardship is a word we don t hear very often until our church needs to build a new building But does Scripture say more about stewardship than that Is there more to managing our money for God s kingdom than we realize In Stewards Not Owners Dana and Bill Wichterman challenge conventional views on wealth and giving encouraging Christ followers to put all their financial muscles to work for the Lord Rather than focusing on simply giving away 10 percent of their income Dana and Bill challenge readers to activate 100 percent of their wealth and wealth creating potential for kingdom goals The Wichtermans also reveal How to incorporate your faith into your financial decisions Why God calls us to save while cautioning us against hoarding The need for financial openness and transparency in our faith communities How faithful Christians are inadvertently funding companies and initiatives that actively work against biblical values How to creatively use your charitable giving to build Christ centered businesses Strategies for aligning your personal wealth building goals with your heavenly calling to expand God s kingdom Drawing on years of personal research relationships and experience Dana and Bill also share the inspiring stories of twenty four individuals who have fully embraced a lifestyle of radical stewardship Surrendering all your finances to God doesn t have to mean living a dull joyless ascetic life As you ll discover in Stewards Not Owners you can enjoy God s financial blessings while still using them to expand His kingdom and lead a life of true abundance and eternal significance
