When Organizing Isn't Enough Shed Your Stuff Change Your Life:

When Organizing Isn't Enough Julie Morgenstern, 2008-06-03 Outlines organizational steps through which anyone weighed down by physical and mental clutter can revamp careers, relationships and other life areas and offers a four step program for eliminating mess, prioritizing and renewing one's motivation **SHED Your Stuff, Change Your Life** Julie Morgenstern, 2011-01-11 Expert organizer and New York Times bestselling author Julie Morgenstern teaches you how to get rid of the physical, mental and time clutter that's keeping you from the life you want. Julie Morgenstern has made a career out of helping her clients get organized. But in the process she discovered something surprising for many of her clients: organizing isn't enough. For those who are eager to make a change in their lives—a new job, a new relationship, a new stage in life—they need to get rid of the old before they can organize the new. They need to SHED their stuff before they can change their lives. So Julie created the SHED process, a four step plan to get rid of the physical, mental and schedule clutter that holds back so many of us. But SHEDding isn't just about throwing things away. Julie teaches that it's just as important to focus on what comes before and after you leave the clutter so that the changes you make really stick in the long term. Learn about Separating the treasures, figuring out what really matters. Heaving the rest, undertaking the tough work of eliminating excess. Embracing your true identity, figuring out who you really want to be. Driving yourself forward, achieving real change now that the past isn't holding you back any longer. Whether you're facing a move, a promotion, an empty nest, a marriage divorce or retirement, SHED Your Stuff Change Your Life provides a practical, transformative plan for positively managing change in every aspect of your life.
